

## BILL ANALYSIS

C.S.H.B. 333  
By: Guillen  
Business & Industry  
Committee Report (Substituted)

### BACKGROUND AND PURPOSE

Interested parties contend that hotels and lodging businesses may be confusing concealed handgun license holders and gun owners by not disclosing a gun policy in the business transaction's terms or conditions. C.S.H.B. 333 seeks to address this issue by requiring a hotel to make its policy more visible to hotel guests.

### RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

### ANALYSIS

C.S.H.B. 333 amends the Occupations Code to require a hotel that has a policy prohibiting or restricting the possession, storage, or transportation of firearms by hotel guests to include the policy on the hotel's Internet reservation website. The bill requires the hotel, if it provides a written confirmation or a written statement of terms and conditions to a consumer after accepting a consumer's hotel reservation by telephone, to include information specifying how the consumer may review applicable guest policies. The bill requires the guest policies to indicate the hotel's policy regarding the possession, storage, and transportation of firearms by guests. The bill makes it a misdemeanor offense punishable by a fine of not more than \$100 for a hotel owner or keeper to not comply with the bill's provisions.

### EFFECTIVE DATE

September 1, 2013.
