

BILL ANALYSIS

C.S.H.B. 749
By: Raymond
Agriculture & Livestock
Committee Report (Substituted)

BACKGROUND AND PURPOSE

Interested parties contend that certain needs of hungry children go unmet during the summer season. C.S.H.B. 749 seeks to address this issue by providing for a five-year plan to increase participation in and provide greater access to summer meal plans.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

ANALYSIS

C.S.H.B. 749 amends the Agriculture Code to add temporary provisions, set to expire September 1, 2018, requiring the Department of Agriculture (TDA) to develop a five-year plan in collaboration with Baylor University's Texas Hunger Initiative and implement no-cost provisions to increase outcomes in the summer food service program under certain federal law. The bill requires the plan to include methods to increase participation by children eligible to receive free or reduced-price school lunches and strategies to increase access to summer meals in rural areas for such children. The bill requires the TDA, in developing the plan, to involve any appropriate TDA advisory committee that already exists and seek the participation of relevant stakeholders. The bill requires the TDA, not later than November 1, 2014, to submit to the governor, lieutenant governor, speaker of the house of representatives, and appropriate standing committees of the legislature the plan to be implemented over the next four years. The bill authorizes the TDA to solicit and accept a gift, grant, or donation from any source, including a foundation or private entity, for the development of the plan. The bill makes the development and implementation of the plan contingent on sufficient funds being available from such gifts, grants, or donations for that purpose.

EFFECTIVE DATE

September 1, 2013.

COMPARISON OF ORIGINAL AND SUBSTITUTE

While C.S.H.B. 749 may differ from the original in minor or nonsubstantive ways, the following comparison is organized and highlighted in a manner that indicates the substantial differences between the introduced and committee substitute versions of the bill.

INTRODUCED

SECTION 1. Chapter 12, Agriculture Code, is amended by adding Section 12.00291 to read as follows:
