### AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently, elected officeholders and candidates for office are required to file personal financial statements and campaign finance reports, which must be delivered to the appropriate state or local authority by first-class mail or common carrier. Interested parties contend that a person required to file a statement or report should be given the option of delivering such documents by personal delivery or, if the authority with whom the reports are filed is capable of processing electronically filed documents, via e-filing.

H.B. 1035 amends current law relating to the filing of reports of political contributions and expenditures and of personal financial statements by certain officeholders and candidates.

### RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
