Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Concern has been expressed over the requirement that a concealed handgun license applicant provide the applicant's Social Security number to the Department of Public Safety of the State of Texas (DPS) when applying for the license. Interested parties contend that a Social Security number is mainly used for federal government purposes and should not be mandated or connected to the state's application for a concealed handgun license because it is not necessary to complete a background check and because other identifying information, such as the person's name and birth date, are provided.

C.S.H.B. 1349 amends current law relating to information that may be requested by the Department of Public Safety from a person applying for or renewing a concealed handgun license.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
