By: Huberty
Special Purpose Districts
Committee Report (Unamended)

BACKGROUND AND PURPOSE

Harris County Municipal Utility District No. 423, which is located within the extraterritorial jurisdiction of the City of Houston, is currently authorized to provide certain services to land located within district boundaries. Interested parties note the need to amend the powers of the district to include, among other things, the power to undertake certain road projects. H.B. 1801 seeks to address that need.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
