C.S.H.B. 3471

Committee Report (Substituted)

BACKGROUND AND PURPOSE

According to interested parties, the board of port commissioners of the Port of Port Arthur Navigation District of Jefferson County recently conducted an informal survey from which they determined that commissioners of other comparable districts are compensated at a considerably higher rate than are the Port Arthur port commissioners. The commissioners and the board president subsequently requested an increase to bring their compensation in line with that of comparable districts. C.S.H.B. 3471 seeks to ameliorate the disparity in compensation among members of district boards with similar responsibilities.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

EFFECTIVE DATE

September 1, 2013.
