

BILL ANALYSIS

H.B. 3911
By: Isaac
Special Purpose Districts
Committee Report (Unamended)

BACKGROUND AND PURPOSE

Interested parties contend that property located within the extraterritorial jurisdiction of the City of Kyle would benefit from the creation of a municipal utility district to provide certain services to the property. H.B. 3911 seeks to address this issue.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

ANALYSIS

H.B. 3911 amends the Special District Local Laws Code to create the Crosswinds Municipal Utility District, subject to voter approval at a confirmation election and municipal consent. The bill authorizes the district, subject to certain requirements, to issue obligations and impose property, operation and maintenance, and contract taxes. The bill, if it does not receive a vote of two-thirds of all the members elected to each house, prohibits the district from exercising the power of eminent domain.

EFFECTIVE DATE

On passage, or, if the bill does not receive the necessary vote, September 1, 2013.
