

## **BILL ANALYSIS**

C.S.S.B. 59  
By: Nelson  
Government Efficiency & Reform  
Committee Report (Substituted)

### **BACKGROUND AND PURPOSE**

Interested parties assert that limited state resources should be committed to state priorities rather than to reporting requirements that are redundant or no longer serve their intended purposes. These parties suggest that agency reporting requirements could be streamlined by repealing obsolete reports, reducing the frequency of some reports, and redirecting some reports to relevant recipients. C.S.S.B. 59 seeks to implement these changes.

### **RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

### **ANALYSIS**

Section 531.0055, Government Code, as amended by Chapter 198 (H.B. 2292), Acts of the 78th Legislature, Regular Session, 2003, expressly grants to the executive commissioner of the Health and Human Services Commission all rulemaking authority for the operation of and provision of services by the health and human services agencies. Similarly, Sections 1.16-1.29, Chapter 198 (H.B. 2292), Acts of the 78th Legislature, Regular Session, 2003, provide for the transfer of a power, duty, function, program, or activity from a health and human services agency abolished by that act to the corresponding legacy agency. To the extent practical, this bill analysis is written to reflect any transfer of rulemaking authority and to update references as necessary to an agency's authority with respect to a particular health and human services program.

C.S.S.B. 59 amends the Agriculture Code to revise statutory provisions relating to the joint preparation and submission of an annual report by the Department of Agriculture (TDA) and the Department of State Health Services (DSHS) relating to the special nutrition program established to distribute to certain participants of the WIC program food coupons redeemable only at certain farmers' markets by making the report biennial and by removing the provision requiring DSHS to jointly prepare and submit the report. The bill changes from not later than the 30th day before the first day of each regular session of the legislature to not later than December 1 before the first day of each regular session the deadline by which the TDA is required to submit to the governor a full report of transactions relating to citrus marketing agreements and licenses during the preceding biennium. The bill changes from semiannual to annual the preparation and delivery of a report by the State Soil and Water Conservation Board relating to the status of the budget areas of responsibility assigned to the board.

C.S.S.B. 59 amends the Code of Criminal Procedure to remove the state auditor as a recipient of the Department of Public Safety (DPS) report regarding the implementation of recommendations based on an examination of the records and operations of the criminal justice information system.

C.S.S.B. 59 amends the Education Code to change from annual to biennial the preparation and delivery of the Texas Education Agency (TEA) comprehensive report covering the preceding

two school years and containing the evaluation of public education achievements. The bill requires TEA to submit as part of the comprehensive biennial report a regional and district level report covering the preceding two school years and removes the specified recipients of that report. The bill includes certain reports among the reports exempted from a provision making ineffective on or after September 1, 2013, a rule or policy of a state agency that is in effect on June 1, 2011, that requires reporting by a university system or an institution of higher education and makes the exemption inapplicable to a request for information by the state auditor.

C.S.S.B. 59 requires the Educational Economic Policy Committee to report to the Legislative Budget Board (LBB) not later than December 1 of each year instead of at least once a year, and also sets that deadline for reporting to the governor, the State Board of Education (SBOE), the Texas Higher Education Coordinating Board, and the legislature instead of before the convening of each regular session. The bill removes the state auditor as a recipient of an annual audit of a direct-support organization established by the Prepaid Higher Education Tuition Board and a report including certain financial information submitted by the tuition board. The bill requires the tuition board to maintain certain financial information for the purpose of inclusion in the report.

C.S.S.B. 59 includes the speaker of the house of representatives among the recipients of the current long-range plan developed and submitted by the coordinating board and removes the state auditor from the recipients of information filed by the commissioner of higher education listing and certifying public junior colleges in Texas. The bill clarifies the Crime Victims' Institute requirement to prepare and submit a complete annual financial report regarding the agency's use of appropriated money during the preceding fiscal year and removes specified recipients. The bill requires the Border Health Institute to develop a long-term strategic plan that includes a statement of the institute's goals and objectives relating to health care services, education, and research, and removes specified recipients of that plan.

C.S.S.B. 59 amends the Family Code to change from before each regular session of the legislature to not later than December 1 of each year the deadline for publishing the attorney general's report that summarizes reports from volunteer advocate programs, analyzes the effectiveness of contracts made for child welfare services, and provides information related to those services.

C.S.S.B. 59 amends the Government Code to clarify that the State Bar of Texas and the Board of Law Examiners must file annually with the supreme court, the governor, and the presiding officer of each house of the legislature a complete annual financial report regarding the agency's use of appropriated money during the preceding fiscal year. The bill requires the LBB to make a performance report to the governor and the legislature, rather than only the legislature, as soon as practicable after completion of the audit or evaluation reviewing the programs and operations of each state entity, rather than on the third Tuesday of each January in which the legislature meets in regular session.

C.S.S.B. 59 includes the Texas State Library and Archives Commission among the entities to which the governing body of a state agency is required to deliver a certified copy of the minutes, and any changes or corrections to the minutes, of any meeting of the governing body. The bill removes the state auditor from the entities to which a state agency is required annually to report payables and binding encumbrances for all appropriation years and from the entities to which the comptroller of public accounts is required to distribute a written report regarding the tobacco settlement permanent trust account.

C.S.S.B. 59 removes the requirement that DPS submit updates of short-range and long-range plans regarding trade relations with Mexico to the lieutenant governor, the speaker of the house of representatives, and each other member of the legislature on or before December 1 of each even-numbered year. The bill requires the Texas Commission on Fire Protection to report to the governor and to the legislature on the commission's activities not later than January 1 of each

odd-numbered year, rather than annually and at each regular session. The bill requires the attorney general to publish a report on the Sexual Assault Prevention and Crisis Service not later than December 10 of each year, rather than not later than December 10 of each even-numbered year.

C.S.S.B. 59 removes the LBB from the entities to whom the adjutant general is required to submit a report evaluating the military use of any real property under the management and control of the adjutant general. The bill removes from the required content of the adjutant general's annual report to the governor and legislature regarding the state militia a statement accounting for all funds received and disbursed by the adjutant general's department during the preceding fiscal year that meets the reporting requirements applicable to financial reporting provided in the General Appropriations Act.

C.S.S.B. 59 changes from quarterly to annual the basis on which the Health and Human Services Commission (HHSC) is required to provide a report to the secretary of state detailing any projects funded by HHSC that provide assistance to colonias and authorizes the secretary of state to prescribe the date on which the report is due. The bill requires HHSC to electronically publish on the commission's Internet website, rather than prepare and deliver, a biennial report and to notify, on or before the date the report is due, the governor, the lieutenant governor, the speaker of the house of representatives, the comptroller, the LBB, and the appropriate legislative committees that the report is available on the website.

C.S.S.B. 59 requires HHSC to file with the legislature a report regarding the use of the child-care and education services Internet site not later than December 1 of each year, rather than not later than the last day of the month following each calendar quarter. The bill authorizes the report to be made in conjunction with any other report HHSC is required to submit to the legislature. The bill changes from semiannual to annual the report concerning integrity activities under the state Medicaid program jointly prepared and submitted by HHSC and the office of the attorney general and removes the comptroller as a recipient of the report. The bill changes from semiannual to annual the HHSC report on the results of computerized matching of certain commission information.

C.S.S.B. 59 removes the comptroller from the recipients to whom the director of the Texas Forest Service of the Texas A&M University System is required to submit an annual written report on the activity, status, and effectiveness of the volunteer fire department assistance fund. The bill requires a state agency to maintain, rather than file with the state auditor, a written statement covering the policies and procedures for an excepted extension of leave and to provide a copy of the statement to the state auditor on request. The bill requires the Texas Facilities Commission (TFC) to report regarding the child-care program for state employees to the legislature not later than December 1 of each even-numbered year, rather than each legislative session.

C.S.S.B. 59 changes from quarterly to annual the report listing the grants for which a state agency has applied that each federal funds coordinator is required to send to the grant writing team established by the director of the Governor's Office of Budget, Planning, and Policy. The bill exempts an institution of higher education from the requirement to file an annual report with the grant writing team concerning the agency's efforts in acquiring available discretionary federal funds during the preceding state fiscal year.

C.S.S.B. 59 requires the State Pension Review Board to provide to the LBB a copy of any actuarial impact statement required of the pension review board. The bill removes the state auditor from the recipients of certain financial reports published by the board of trustees of the Teacher Retirement System of Texas (TRS) and from information naming any general academic teaching institution and any medical and dental unit delinquent in the reimbursement of contributions to TRS for the preceding fiscal year and the amount by which the institution or unit is delinquent. The bill removes the requirement that a state agency notify the state auditor's

office if the agency makes a substantive change to a planned procurement schedule for commodity items.

C.S.S.B. 59 requires the Department of Information Resources (DIR) and the Information Technology Council for Higher Education to review all plans and reports required of institutions of higher education regarding information resources and to complete the review not later than March 1, 2014. The bill exempts an institution of higher education, after September 1, 2014, from preparing or submitting such a plan or report generally required of a state agency except to the extent expressly provided by a rule adopted by DIR on or after September 1, 2013.

C.S.S.B. 59 authorizes the LBB or the Governor's Office of Budget, Planning, and Policy, if a state agency does not file a copy of each periodic audit with certain entities, to take appropriate action to compel the filing of the report. The bill clarifies that the report about improvements and repairs to state buildings, grounds, and property submitted by the TFC to the governor biennially on December 1 is submitted not later than December 1 of each even-numbered year. The bill revises the content the TFC must include in the commission's master facilities plan.

C.S.S.B. 59 requires each state agency to develop a plan for conserving energy that includes a percentage goal for reducing the agency's use of electricity, gasoline, and natural gas, and sets out requirements for a quarterly report filed by each state agency. The bill requires each state agency except TxDOT, rather than except the LBB, to send the agency's travel logs relating to the use of state-operated aircraft to TxDOT on an annual basis, unless the agency did not operate an aircraft during the period covered by the travel log.

C.S.S.B. 59 removes from the required contents of the low income housing plan prepared and submitted by the executive director of the Texas Department of Housing and Community Affairs any housing-related information that the state is required to include in the one-year action plan of the consolidated plan submitted annually to the U.S. Department of Housing and Urban Development. The bill removes the LBB as a recipient of an annual report of the financial activity of the Texas State Affordable Housing Corporation and of a copy of the audit the corporation is required to receive each fiscal year.

C.S.S.B. 59 amends the Health and Safety Code to authorize the required report by each state agency affected by the Texas Diabetes Council's state plan for diabetes treatment, education, and training regarding implementation of that plan to be published electronically on a state agency's Internet website. The bill requires a state agency that electronically publishes the report to notify each agency entitled to receive a copy of the report that the report is available on the agency's Internet website on or before the date the report is due.

C.S.S.B. 59 authorizes an institution of higher education that is required to develop a source reduction and waste minimization plan for more than one facility to develop and submit one plan that covers all of the facilities and to submit one annual report and one source reduction and waste minimization report that covers all of the facilities.

C.S.S.B. 59 authorizes the financial and compliance audit submitted by a local mental health and mental retardation authority to be published electronically on an authority's Internet website and authorizes the findings identified during the Department of Mental Health and Mental Retardation's review of the audit to be published electronically on the department's website. The bill requires the department and an authority that electronically publishes findings or an audit, as applicable, to notify the appropriate entity that the audit is available on the website on or before the date the audit is due.

C.S.S.B. 59 amends the Human Resources Code to change from semiannual to annual the frequency with which various health and human services agency reports are submitted and to remove HHSC as a recipient of those reports. The bill authorizes a report summarizing reports from family violence centers that are under contract with a health and human services agency

and analyzing the effectiveness of certain authorized contracts to be published electronically on the agency's Internet website. The bill requires the applicable health and human services agency to notify each agency entitled to receive a copy of the report that the report is available on the website on or before the date the report is due.

C.S.S.B. 59 changes from annual to biennial the submission of the report by the agencies represented on the Texas Council on Autism and Pervasive Developmental Disorders to the council regarding provided services and specifies that the council is required to prepare and deliver this report to certain recipients not later than November 1 of each even-numbered year. The bill requires the Texas Council on Purchasing from People with Disabilities to file with the governor and the presiding officer of each house of the legislature a copy of a complete annual financial report regarding the agency's use of appropriated money during the preceding fiscal year. The bill removes the LBB from the recipients of a written explanation of each disagreement or deviation of a state agency or medical school with the resource allocation plan.

C.S.S.B. 59 amends the Insurance Code to remove from the required content of the annual report filed by the Texas Department of Insurance content giving an accounting of all funds received and disbursed by the department during the preceding fiscal year.

C.S.S.B. 59 amends the Labor Code to clarify that the written report required to be made by the Texas Workforce Commission (TWC) to the governor and legislature is on the commission's activities. The bill removes from the required content of the report compiled by TWC containing equal employment opportunity information reported to the TWC by a state agency the total number of disabled employees of the agency. The bill changes from not later than the fifth day of each regular legislative session to not later than January 1 of each odd-numbered year the date by which the results of an analysis of the information reported to the TWC civil rights division is required to be reported to the legislature and adds the LBB and the governor to the list of recipients of those results. The bill removes the state auditor as a recipient of certain information relating to reimbursement from funds held outside the treasury for certain workers' compensation payments made out of the general revenue fund.

C.S.S.B. 59 amends the Natural Resources Code to change the name of the Oil-Field Cleanup Fund Advisory Committee to the Oil and Gas Regulation and Cleanup Fund Advisory Committee. The bill changes from during the first 30 days of each regular legislative session to not later than January 1 of each odd-numbered year the date by which the Commissioner of the General Land Office is required to report on the status of the exploration, development, and production of geothermal energy and clarifies that the commissioner reports to the legislature. The bill changes from semiannually to annually the filing frequency of certain reports relating to loan performance by the Veterans' Land Board with the Bond Review Board.

C.S.S.B. 59 amends the Occupations Code to change from annual to biennial the filing of the written description of the activities of the Texas Funeral Service Commission during the two preceding fiscal years.

C.S.S.B. 59 amends the Transportation Code to remove the requirement that TxDOT submit updated short-range and long-range plans regarding trade relations with Mexico to the lieutenant governor, the speaker of the house of representatives, and each other member of the legislature on or before December 1 of each even-numbered year. The bill removes the requirement that TxDOT provide to the governor and the legislature certain information relating to statistical information derived from traffic reports regarding certain highway accidents and highway and bridge safety. The bill includes the Governor's Office of Budget, Planning, and Policy as a recipient of the TxDOT report on cash balances in project subaccounts and expenditures made with money in those subaccounts.

C.S.S.B. 59 requires a report prepared and issued by the Texas Transportation Commission relating to certain public transportation providers to detail the performance of the transportation

providers during the preceding state fiscal year and to include, as to each transportation provider, monthly data on industry utilized standards that best reflect ridership, mileage, revenue by source, and service effectiveness. The bill changes from at least once each state fiscal year to not later than January 1 of each year the date by which the commission is required to prepare and issue this report and clarifies that the report is issued to the legislature.

C.S.S.B. 59 amends the Utilities Code, in a provision requiring the Public Utility Commission of Texas (PUC) to complete a detailed report accounting for all funds received and disbursed during the preceding fiscal year, and further requiring the PUC to make certain suggestions relating to utility regulation and the PUC's statutory authority in the annual report issued in the year preceding the convening of a legislative session, to do the following:

- change the annual report to a biennial report
- remove the provision requiring the PUC to include the accounting of funds in the report
- set the deadline for the preparation of the report at not later than December 1 of each year preceding the convening of each regular session of the legislature.

C.S.S.B. 59 amends Section 51(c), Chapter 1406 (S.B. 758), Acts of the 80th Legislature, Regular Session, 2007, to remove a Department of Family and Protective Services (DFPS) requirement to prepare a progress report detailing DFPS's activities in implementing certain recommendations.

C.S.S.B. 59 amends Section 1(c), Chapter 413 (H.B. 1966), Acts of the 81st Legislature, Regular Session, 2009, to add a temporary provision, set to expire January 1, 2015, to change a one-time report submitted by the Health and Human Services Commission regarding the e-prescribing implementation plan to an annual report and to require the report to include the total expenditures associated with and cost savings realized from the plan to date, in addition to the information required by the one-time report.

C.S.S.B. 59 amends Section 34, Chapter 1409 (H.B. 4586), Acts of the 81st Legislature, Regular Session, 2009, to exempt an agency or institution that has spent all the money received under the federal American Recovery and Reinvestment Act and completed all projects related to that act from having to submit reports related to the agency's receipt of that money to the LBB.

C.S.S.B. 59 requires the governing body of each municipality with a population of more than 50,000 and each county in which there are more than 50 operating traffic-control signals to prepare and submit, not later than September 1, 2014, a report to the legislature and to the Texas A&M Transportation Institute on the status of the municipality's or county's current traffic-control signal system and primary arterial street operation. The bill sets out the required contents of the report.

C.S.S.B. 59 repeals provisions requiring the following:

- the executive director of the Teacher Retirement System of Texas to submit a biennial report to the legislature in regard to the status of each school district's group health insurance coverage program
- the State Center for Early Childhood Development and any other entity that implements a demonstration project to provide a report to the legislature and to the state agency or agencies with regulatory jurisdiction over the subject matter involved in the project
