AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

S.B. 128 allows the Department of Assistive and Rehabilitative Services (DARS) to better connect clients to employment and training programs by making the agency's authority to obtain criminal background checks consistent across all programs. Currently, DARS is authorized to conduct background checks on all agency employees and on individuals enrolled in the General Vocational Rehabilitation Program, but DARS is not authorized to conduct background checks on individuals enrolled in the newly formed Vocational Rehabilitation Program for the Blind (VR-B). This bill authorizes DARS to obtain background checks for individuals enrolled in VR-B to ensure that such individuals are not precluded from finding employment because of a criminal history.

S.B. 128 amends current law relating to criminal history record information concerning certain applicants and clients of the Department of Assistive and Rehabilitative Services.

RULEMAKING AUTHORITY

Rulemaking authority previously granted to the board of the Texas Rehabilitation Commission is transferred to the executive commissioner of the Health and Human Services Commission in SECTION 2 (Section 117.034, Human Resources Code) of this bill.

Rulemaking authority previously granted to Texas Commission for the Blind is rescinded in SECTION 3 (Section 91.0165, Human Resources Code) of this bill.
