AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently, Texas Funeral Service commissioners are limited to a single term unless they are completing an unexpired term, in which case they can complete the term and serve another full term. There are only three other Texas commissions that still have term limits. By imposing term limits on commissioners, the state runs the risk of losing institutional knowledge that is gained over time. S.B. 221 eliminates term limits for Texas Funeral Service commissioners.

S.B. 221 amends current law relating to the composition and employees of the Texas Funeral Service Commission.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
