AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Under current law, the only way for someone to request a formal opinion from the Office of the Attorney General (OAG) is to file that request through certified or registered mail, with return receipt requested. In OAG's experience, most requests for formal opinions are sent electronically (via e-mail) or through the regular United States mail. This bill would allow those individuals who are authorized by law to request a formal attorney general opinion to submit requests electronically.

S.B. 246 amends current law relating to the electronic submission of a request for an attorney general opinion.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
