### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Section 32.201 (Emergency Care or Shelter for Minors), Family Code, allows emergency shelters to offer care to unaccompanied minors and their children, if any, for up to 14 days in an emergency situation.

The Human Resources Code establishes criteria for those facilities that are required to be licensed by the Department of Family and Protective Services, including an exemption for certain facilities.

A conflict in these codes allows an emergency shelter under the Human Resources Code to provide emergency care to minor mothers and their children, but not minors without children unless the emergency shelter is licensed. This bill seeks to remedy that conflict by tracking the language of the Family Code in the Human Resources Code.

S.B. 353 amends current law relating to the ability of an emergency shelter facility to provide shelter or care for an unaccompanied minor without a license.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

(13) certain juvenile facilities, including a juvenile facility providing services solely for the Texas Juvenile Justice Department, rather than the Texas Youth Commission; or
