### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Many Texas hospitals currently employ peace officers, but only a handful of hospital districts are included among them. In order for a hospital district to be authorized to commission and employ peace officers, it must have that authority granted to it in the Health and Safety Code.

S.B. 543 allows the Midland County Hospital District to commission and employ peace officers as a security force to protect patients, staff, and visitors at Medical Center Hospital.

S.B. 543 amends current law relating to the authority of the Midland County Hospital District of Midland County, Texas, to employ and commission peace officers.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
