AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The purpose of S.B. 770 is to maintain Texas citizens' faith in their state government by eliminating any impropriety or appearance of impropriety when public property is named.

S.B. 770 prohibits the naming of state property or property of any political subdivision of the state after a former elected official before the fifth anniversary of the date the former elected official last held elective office.

This bill is not retroactive; all state property named before its implementation may keep that name.

As proposed, S.B. 770 amends current law relating to a prohibition against naming public property after certain former elected officials.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
