

## **BILL ANALYSIS**

S.B. 1012  
By: Zaffirini  
Natural Resources  
Committee Report (Unamended)

### **BACKGROUND AND PURPOSE**

S.B. 1012 codifies the two enabling Acts that allowed the creation of and then created the McMullen Groundwater Conservation District (GCD).

The Texas Legislative Council (TLC) has been codifying all special law districts and placing the enabling legislation into the Special District Local Laws Code. However, TLC could not codify the McMullen GCD legislation on its own initiative because the election dates conflict in statute.

This bill codifies the election date as one uniform date in November in odd-numbered years.

As proposed, S.B. 1012 amends current law relating to the McMullen Groundwater Conservation District.

### **RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
