### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

S.B. 1481 is a local bill pertaining to the Bella Vista Municipal Utility District (district). The bill will authorize the district to disannex from Travis County Emergency Services District 14 upon a limited purpose annexation by the City of Cedar Park, wherein the city provides fire protection services to the district pursuant to a strategic partnership agreement.

Currently, territory may be removed from an emergency services district upon a full purpose annexation wherein fire services are provided by the annexing municipality. In this case, financial constraints do not allow for a full purpose annexation of the district. However, the district and the city both wish to pursue a limited purpose annexation wherein the city will provide municipal services including fire protection. Ultimately, the limited purpose annexation will convert into a full purpose annexation, and S.B. 1481 provides the mechanism to begin that process.

S.B. 1481 amends current law relating to the provision of emergency services in the Bella Vista Municipal Utility District.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
