AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The Texas State Affordable Housing Corporation (TSAHC) is a nonprofit corporation that was created by the 74th Legislature in 1995 to help meet the housing needs of low-income residents in Texas. TSAHC operates to provide single and multifamily home loans to low-income individuals in the state. The 77th Legislature created the Teachers Home Loan Program and directed TSAHC to assist eligible teachers with low-interest home mortgage loans. In 2003, the 78th Legislature allowed full-time public school teacher aides, librarians, counselors, and nurses to be eligible for TSAHC's low-interest home loans. In subsequent legislative sessions, further changes have been made to TSAHC's enabling statute to allow nurses, allied health program faculty, firefighters, police officers, correction officers, and others, to be assisted by the home low-interest loans administered by TSAHC.

S.B. 1553 allows veterans to be among the individuals who may apply for TSAHC's low-interest home mortgage loans.

S.B. 1553 amends current law relating to the Homes for Texas Heroes home loan program.
