### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

S.B. 1557 is intended to encourage private sector participation in early college high schools. Early college high schools partner with colleges in order to allow students least likely to attend institutions of higher learning an opportunity to earn a high school diploma and 60 college credit hours. Under current law, the Texas Education Agency (TEA) is permitted to accept gifts, grants, and donations to pay for costs not covered by students' Foundation School Program benefits. To date, no such donations have been made.

S.B. 1557 amends current law relating to business and nonprofit organization participation in supporting early college high schools.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
