### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Named-driver policies provide coverage only for drivers specifically named on the policy and non-household drivers with permission. An issue can arise when a member of the policyholder's household, who is not named on the policy, drives the insured vehicle. When this situation occurs, the driver is not covered by the policy, regardless of whether they have permission from the policyholder to drive the automobile. Many policyholders and drivers, however, do not understand these coverage restrictions, which can lead to situations of unknowingly uninsured drivers on Texas's roads.

S.B. 1567 seeks to address this issue by requiring a signed disclosure for any named driver policy that conspicuously states that individuals who reside in the household, and are not named on the policy, are not provided coverage.

As proposed, S.B. 1567 amends current law relating to coverage of certain persons under an automobile insurance policy.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
