### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Currently, there is raw, undeveloped land located within the extraterritorial jurisdiction of the City of Fulshear, in Fort Bend County. A management district over this property is proposed to be created to administer and provide public infrastructure, specifically improvements to a major thoroughfare to be called Fulshear Parkway, as well as other economic development projects and services in the district.

The bill creates Fulshear Parkway Improvement District (district) as a political subdivision of the State of Texas to accomplish the public infrastructure and economic development purposes of the district. The district will be a municipal management district similar to those operating pursuant to Chapter 375 (Municipal Management Districts in General), Local Government Code, and Title 4 (Development and Improvement), Special District Local Laws Code.

S.B. 1864 amends current law relating to the creation of Fulshear Parkway Improvement District, provides the authority to issue bonds, and provides the authority to impose assessments, fees, or taxes.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
