AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

In the late 1990s, the City of Austin purchased the Onion Creek Metropolitan Park (park), an approximately 800-acre park, with the vision of dedicating 400 acres to developed parkland and 400 acres to woods and trails. Nearly 15 years later, the park is undeveloped because the city does not have enough funding to maintain its existing park system, much less improve upon (and add to the maintenance needs of) the park.

Located to the south of the park and just to the east of I-35 is the Goodnight Ranch, nearly 700 acres of undeveloped land that is slated for development into a master-planned community that will consist of residential units and neighborhood retail/office space.

To develop, operate, and maintain recreational park amenities at the park, a special tax district that would dedicate a steady source of funding to the park is necessary. S.B. 1872 establishes the Onion Creek Metro Park Improvement District to fund the capital improvements, operations, and maintenance of the park.

S.B. 1872 amends current law relating to the creation of the Onion Creek Metro Park District, provides the authority to issue bonds, and provides the authority to impose assessments, fees, or taxes.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
