AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

S.B. 1884 creates the Westwood Management District (district), an approximately 416-acre municipal management district located within the corporate limits of the City of League City.

Texas law provides for the creation of municipal management districts to promote, develop, encourage, and maintain employment, commerce, economic development, and the public welfare in the commercial areas of municipalities and metropolitan areas of this state.

It is necessary to create a district under Chapter 375 (Municipal Management Districts in General), Texas Local Government Code, and Section 59 (Conservation and Development of Natural Resources and Parks and Recreational Facilities; Conservation and Reclamation Districts), Article 16, Texas Constitution, in order to construct public infrastructure (water, sewer, drainage, and roads) to serve the land that is currently undeveloped.

S.B. 1884 provides for the creation of a municipal management district within the corporate limits of League City that will include residential land.

S.B. 1884 amends current law relating to the creation of the Westwood Management District, provides the authority to issue bonds, and provides the authority to impose fees or taxes.
