By: Strama, Villarreal, Otto, Anchia, H.B. No. 742 Villalba

A BILL TO BE ENTITLED

AN ACT 2 relating to measures to evaluate and improve student participation 3 and performance in public schools and open-enrollment charter 4 schools, including a grant program for certain school districts to 5 provide summer instruction primarily for students who are 6 educationally disadvantaged.

8 SECTION 1. Subchapter C, Chapter 7, Education Code, is 9 amended by adding Section 7.064 to read as follows:

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Sec. 7.064. ANNUAL REPORT CONCERNING STUDENT HOURS. (a)
For each school year, the commissioner shall prepare a report that
compiles the information submitted to the commissioner by school
districts and open-enrollment charter schools under Sections
14 <u>11.179 and 12.104(b-1), respectively.</u>

15(b) Not later than August 1 of each year, the commissioner16shall submit the report prepared under Subsection (a) to the:

17 <u>(1) governor;</u>

7

18

(2) lieutenant governor;

19 (3) speaker of the house of representatives; and

20 (4) presiding officers of the standing committees of

21 <u>the senate and house of representatives having primary jurisdiction</u> 22 <u>over primary and secondary education.</u>

23 SECTION 2. Subchapter D, Chapter 11, Education Code, is
24 amended by adding Section 11.179 to read as follows:

	H.B. No. 742
1	Sec. 11.179. STUDENT HOURS REPORTING REQUIREMENT. (a) Not
2	later than July 1 of each year, the board of trustees of an
3	independent school district shall prepare and submit to the
4	commissioner a report for the school year that ended during the
5	preceding calendar year that, for each class and for each grade
6	level at each district campus, indicates the average and total
7	number of hours students spent on campus:
8	(1) receiving classroom instruction;
9	(2) receiving special instruction, disaggregated by
10	the type of instruction; and
11	(3) participating in school-sponsored or
12	school-related activities, disaggregated by the type of activity in
13	which the students engaged.
14	(b) The commissioner may adopt rules as necessary for
15	purposes of this section.
16	SECTION 3. Section 12.104, Education Code, is amended by
17	adding Subsection (b-1) to read as follows:
18	(b-1) The governing body of an open-enrollment charter
19	school shall comply with the student hours reporting requirement as
20	provided by Section 11.179 as though:
21	(1) the open-enrollment charter school were an
22	independent school district; and
23	(2) an open-enrollment charter school campus were a
24	school district campus.
25	SECTION 4. Subchapter C, Chapter 29, Education Code, is
26	amended by adding Section 29.091 to read as follows:
27	Sec. 29.091. GRANT PROGRAM FOR DISTRICTS THAT HAVE HIGH

PROVIDE SUMMER INSTRUCTION. (a) In this section: 3 (1) "New teacher" means a teacher who: 4 (A) will be teaching for the first time du 5 the next school year; or 6 (B) first began teaching: 7 (i) during the preceding two years; or 8 (ii) in the school district in which 9 teacher is currently employed during the preceding year. 10 (2) "Program" means the grant program for sc 11 districts to provide summer instruction primarily for students 2 are educationally disadvantaged, as established under 13 section. 14 (b) The commissioner shall establish and administer 15 competitive program to provide grants to not more than 10 sc 16 (b) The commissioner shall establish and administer 15 competitive program to provide grants to not more than 10 sc 16 districts to use in providing instructional programs to student 17 prekindergarten through eighth grade during the period in w 18 school is recessed for the summer. The program shall be designed 19 (1) encourage participation in the program be 20 close the academic achievement gap b		
3 (1) "New teacher" means a teacher who: 4 (A) will be teaching for the first time du 5 the next school year; or 6 (B) first began teaching: 7 (i) during the preceding two years; or 8 (ii) in the school district in which 9 teacher is currently employed during the preceding year. 10 (2) "Program" means the grant program for sc 11 districts to provide summer instruction primarily for students 12 are educationally disadvantaged, as established under 13 section. 14 (b) The commissioner shall establish and administer 15 competitive program to provide grants to not more than 10 sc 16 districts to use in providing instructional programs to students 17 prekindergarten through eighth grade during the period in w 18 school is recessed for the summer. The program shall be designed 19 (1) encourage participation in the program te 20 close the academic achievement gap bet 21 (2) close the academic achievement gap bet 22 students who are educationally disadvantaged and students who 23 ensure that during the period in w	1	ENROLLMENT OF EDUCATIONALLY DISADVANTAGED STUDENTS AND THAT
4 (A) will be teaching for the first time du 5 the next school year; or 6 (B) first began teaching: 7 (i) during the preceding two years; or 8 (ii) in the school district in which 9 teacher is currently employed during the preceding year. 10 (2) "Program" means the grant program for sc 11 districts to provide summer instruction primarily for students 12 are educationally disadvantaged, as established under 13 section. 14 (b) The commissioner shall establish and administer 15 competitive program to provide grants to not more than 10 sc 16 districts to use in providing instructional programs to student 17 prekindergarten through eighth grade during the period in w 18 school is recessed for the summer. The program shall be designed 19 (1) encourage participation in the program be 21 (2) close the academic achievement gap bet 22 students who are educationally disadvantaged and students who 23 not educationally disadvantaged; 24 (3) ensure that during the period in which school 25 recessed for the summer, stud	2	PROVIDE SUMMER INSTRUCTION. (a) In this section:
5 the next school year; or 6 (B) first began teaching: 7 (i) during the preceding two years; or 8 (ii) in the school district in which 9 teacher is currently employed during the preceding year. 10 (2) "Program" means the grant program for sc 11 districts to provide summer instruction primarily for students 12 are educationally disadvantaged, as established under 13 section. 14 (b) The commissioner shall establish and administer 15 competitive program to provide grants to not more than 10 sc 16 districts to use in providing instructional programs to student 17 prekindergarten through eighth grade during the period in w 18 school is recessed for the summer. H.B. No. 742 (4) provide apprenticeship, mentorship, and other 1 professional development opportunities for new teachers and 2 3 student teachers; and 4 (5) add to the compensation of a district's highest performing teachers by providing those teachers with summer 5 employment teaching students, new teachers, and student teachers. 6 7 (c) To be eligible to participate in the program, a school 8 district must: 9 (1) have an enrollment of students who are educationally disadvantaged that is greater than 50 percent of 10 11 total district enrollment; 12 (2) apply to the commissioner in the manner and within the time prescribed by commissioner rule; and 13 14 (3) provide as part of the application materials a plan that is designed to achieve the purposes described by 15 Subsections (b)(1) through (5). 16 17 (d) In selecting from among eligible school districts to participate in the program, the commissioner shall select those 18 19 districts that provide plans under Subsection (c)(3) that are the most innovative and represent a variety of approaches so that the 20 21 effectiveness of various plans can be compared and evaluated. 22 (e) A grant awarded under this section may be funded only with money appropriated for the program and any gifts, grants, or 23 24 donations made to the agency that may be used for and that the commissioner applies to funding the program. The commissioner, in 25 26 accordance with commissioner rule and based on the amount available for the program, shall determine the amount of each grant awarded 27

H.B. No. 742 under this section. A school district awarded a grant under this 1 section may use the grant only for implementing and administering a 2 plan as described by Subsection (c)(3), including providing 3 compensation to teachers in accordance with Subsection (b)(5) and 4 5 commissioner rule. 6 (f) Each school district participating in the program 7 shall, in the manner and within the time prescribed by commissioner 8 rule, provide to the agency an annual written report that includes: 9 (1) a detailed description of the district's plan, as 10 implemented; (2) the number and grade levels of participating 11 12 students; (3) demographic information for participating 13 14 students, including the percentage of students of each applicable 15 race and ethnicity, the percentage of educationally disadvantaged students, the percentage of students of limited English proficiency 16 17 as defined by Section 29.052, the percentage of students enrolled in a school district special education program under Subchapter A, 18 19 and the percentage of students enrolled in a district bilingual education program under Subchapter B; 20 21 (4) school attendance rates for participating 22 students, before, during, and after program participation, as 23 applicable; 24 (5) specific information that demonstrates whether the purposes described by Subsections (b)(2) and (3) have been 25 26 achieved, including the results of assessment instruments administered under Section 39.023 for participating students, 27

1	before, during, and after program participation, as applicable;
2	(6) aggregate results of assessment instruments
3	administered under Section 39.023 for students of participating
4	classroom teachers, new teachers, and student teachers, before,
5	during, and after program participation by the students, as
6	applicable;
7	(7) information regarding the manner in which teachers
8	are selected for participation in the program and the manner in
9	which teachers are compensated for their participation;
10	(8) statistical information for participating
11	classroom teachers, new teachers, and student teachers, including
12	the number of years employed in the teaching profession, the number
13	of years teaching in the district in which the program is provided,
14	the category and class of educator certification held, the highest
15	level of academic degree earned, race, ethnicity, and gender;
16	(9) information regarding whether:
17	(A) the program is provided on a full-day or
18	half-day basis;
19	(B) the program is voluntary or mandatory for
20	educationally disadvantaged students;
21	(C) the district has partnered with an outside
22	provider to provide any supplemental service;
23	(D) the district provides transportation to
24	participating students; and
25	(E) the district offers the program to students
26	who are not educationally disadvantaged and, if so, under what
27	circumstances;

	H.B. No. 742
1	(10) information on retention in the teaching
2	profession of the participating teachers, including new teachers
3	and student teachers; and
4	(11) any other information required by commissioner
5	<u>rule.</u>
6	(g) The agency shall contract with an experienced and
7	recognized third-party program evaluator to determine and prepare a
8	report regarding the effectiveness of the program. The evaluator's
9	report must include the evaluator's best effort to project the cost
10	and academic effects of implementing the best practices of the
11	program in school districts throughout this state and must describe
12	the effectiveness of the program in:
13	(1) improving academic performance among
14	participating students;
15	(2) improving the professional development and
16	performance of new teachers; and
17	(3) rewarding and retaining the highest performing
18	teachers.
19	(h) Using information reported under Section 11.179 and the
20	report under Subsection (g), the agency shall conduct a study that
21	compares the academic performance of students in each school
22	district that participates in the program with the academic
23	performance of students in at least 10 districts that do not
24	participate in the program to determine the type and amount of
25	instruction and student participation in school-sponsored or
26	school-related activities that most contribute to improved
27	academic performance.

1 (i) Not later than November 1 of each even-numbered year, 2 the agency shall submit to each member of the legislature a report 3 specifically describing the results of the program. The report may 4 be in the form of a summary of the information required under 5 Subsections (f), (g), and (h).

6 (j) The commissioner shall adopt rules as necessary to
7 administer this section.

8 SECTION 5. (a) Not later than August 1, 2014, the commissioner of education shall submit a report concerning the 9 10 2012-2013 school year, as required by Section 7.064, Education Code, as added by this Act. 11

(b) Not later than July 1, 2014, the board of trustees of a school district shall submit to the commissioner of education a report concerning the 2012-2013 school year, as required by Section 11.179, Education Code, as added by this Act.

16 (c) Not later than July 1, 2014, the governing body of an 17 open-enrollment charter school shall submit to the commissioner of 18 education a report concerning the 2012-2013 school year, as 19 required under Section 12.104(b-1), Education Code, as added by 20 this Act.

21 SECTION 6. The commissioner of education shall establish 22 the grant program under Section 29.091, Education Code, as added by 23 this Act, beginning with the 2013-2014 school year.

SECTION 7. This Act takes effect immediately if it receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, this

1 Act takes effect September 1, 2013.
