H.B. No. 1137

A BILL TO BE ENTITLED

1 AN ACT

2 relating to the use of maximum allowable cost lists under a Medicaid
3 managed care pharmacy benefit plan.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

5 SECTION 1. Section 531.021, Government Code, is amended by
6 adding Subsection (h) to read as follows:

7 (h) The executive commissioner shall:

8 (1) adopt rules and establish procedures under which a
9 pharmacy participating in the network of a managed care
10 organization contracting with the commission under Chapter 533 may
11 appeal and have the commission review a denial by the managed care
12 organization or a subcontracted pharmacy benefit manager, as
13 applicable, of a challenge by the pharmacy of the managed care
14 organization's or pharmacy benefit manager's maximum allowable cost
15 price for a drug; and

16 (2) require the managed care organization or pharmacy
17 benefit manager, as applicable, to make any required adjustment in
18 the maximum allowable cost price for the drug:

19 (A) retroactive to the date the challenge was
20 made; and

21 (B) applicable to all pharmacies participating
22 in the network.

23 SECTION 2. Section 533.005(a), Government Code, is amended
24 to read as follows:

1 (a) A contract between a managed care organization and the
2 commission for the organization to provide health care services to
3 recipients must contain:

4 (1) procedures to ensure accountability to the state
5 for the provision of health care services, including procedures for
6 financial reporting, quality assurance, utilization review, and
7 assurance of contract and subcontract compliance;

8 (2) capitation rates that ensure the cost-effective
9 provision of quality health care;

10 (3) a requirement that the managed care organization
11 provide ready access to a person who assists recipients in
12 resolving issues relating to enrollment, plan administration,
13 education and training, access to services, and grievance
14 procedures;

15 (4) a requirement that the managed care organization
16 provide ready access to a person who assists providers in resolving
17 issues relating to payment, plan administration, education and
18 training, and grievance procedures;

19 (5) a requirement that the managed care organization
20 provide information and referral about the availability of
21 educational, social, and other community services that could
22 benefit a recipient;

23 (6) procedures for recipient outreach and education;

24 (7) a requirement that the managed care organization
25 make payment to a physician or provider for health care services
26 rendered to a recipient under a managed care plan not later than the
27 45th day after the date a claim for payment is received with

1 documentation reasonably necessary for the managed care
2 organization to process the claim, or within a period, not to exceed
3 60 days, specified by a written agreement between the physician or
4 provider and the managed care organization;

5 (8) a requirement that the commission, on the date of a
6 recipient's enrollment in a managed care plan issued by the managed
7 care organization, inform the organization of the recipient's
8 Medicaid certification date;

9 (9) a requirement that the managed care organization
10 comply with Section 533.006 as a condition of contract retention
11 and renewal;

12 (10) a requirement that the managed care organization
13 provide the information required by Section 533.012 and otherwise
14 comply and cooperate with the commission's office of inspector
15 general and the office of the attorney general;

16 (11) a requirement that the managed care
17 organization's usages of out-of-network providers or groups of
18 out-of-network providers may not exceed limits for those usages
19 relating to total inpatient admissions, total outpatient services,
20 and emergency room admissions determined by the commission;

21 (12) if the commission finds that a managed care
22 organization has violated Subdivision (11), a requirement that the
23 managed care organization reimburse an out-of-network provider for
24 health care services at a rate that is equal to the allowable rate
25 for those services, as determined under Sections 32.028 and
26 32.0281, Human Resources Code;

27 (13) a requirement that the organization use advanced

1 practice nurses in addition to physicians as primary care providers
2 to increase the availability of primary care providers in the
3 organization's provider network;

4 (14) a requirement that the managed care organization
5 reimburse a federally qualified health center or rural health
6 clinic for health care services provided to a recipient outside of
7 regular business hours, including on a weekend day or holiday, at a
8 rate that is equal to the allowable rate for those services as
9 determined under Section 32.028, Human Resources Code, if the
10 recipient does not have a referral from the recipient's primary
11 care physician;

12 (15) a requirement that the managed care organization
13 develop, implement, and maintain a system for tracking and
14 resolving all provider appeals related to claims payment, including
15 a process that will require:

16 (A) a tracking mechanism to document the status
17 and final disposition of each provider's claims payment appeal;

18 (B) the contracting with physicians who are not
19 network providers and who are of the same or related specialty as
20 the appealing physician to resolve claims disputes related to
21 denial on the basis of medical necessity that remain unresolved
22 subsequent to a provider appeal; and

23 (C) the determination of the physician resolving
24 the dispute to be binding on the managed care organization and
25 provider;

26 (16) a requirement that a medical director who is
27 authorized to make medical necessity determinations is available to

1 the region where the managed care organization provides health care
2 services;

3 (17) a requirement that the managed care organization
4 ensure that a medical director and patient care coordinators and
5 provider and recipient support services personnel are located in
6 the South Texas service region, if the managed care organization
7 provides a managed care plan in that region;

8 (18) a requirement that the managed care organization
9 provide special programs and materials for recipients with limited
10 English proficiency or low literacy skills;

11 (19) a requirement that the managed care organization
12 develop and establish a process for responding to provider appeals
13 in the region where the organization provides health care services;

14 (20) a requirement that the managed care organization
15 develop and submit to the commission, before the organization
16 begins to provide health care services to recipients, a
17 comprehensive plan that describes how the organization's provider
18 network will provide recipients sufficient access to:

19 (A) preventive care;

20 (B) primary care;

21 (C) specialty care;

22 (D) after-hours urgent care; and

23 (E) chronic care;

24 (21) a requirement that the managed care organization
25 demonstrate to the commission, before the organization begins to
26 provide health care services to recipients, that:

27 (A) the organization's provider network has the

1 capacity to serve the number of recipients expected to enroll in a
2 managed care plan offered by the organization;

3 (B) the organization's provider network
4 includes:

5 (i) a sufficient number of primary care
6 providers;

7 (ii) a sufficient variety of provider
8 types; and

9 (iii) providers located throughout the
10 region where the organization will provide health care services;
11 and

12 (C) health care services will be accessible to
13 recipients through the organization's provider network to a
14 comparable extent that health care services would be available to
15 recipients under a fee-for-service or primary care case management
16 model of Medicaid managed care;

17 (22) a requirement that the managed care organization
18 develop a monitoring program for measuring the quality of the
19 health care services provided by the organization's provider
20 network that:

21 (A) incorporates the National Committee for
22 Quality Assurance's Healthcare Effectiveness Data and Information
23 Set (HEDIS) measures;

24 (B) focuses on measuring outcomes; and

25 (C) includes the collection and analysis of
26 clinical data relating to prenatal care, preventive care, mental
27 health care, and the treatment of acute and chronic health

1 conditions and substance abuse;

2 (23) subject to Subsection (a-1), a requirement that
3 the managed care organization develop, implement, and maintain an
4 outpatient pharmacy benefit plan for its enrolled recipients:

5 (A) that exclusively employs the vendor drug
6 program formulary and preserves the state's ability to reduce
7 waste, fraud, and abuse under the Medicaid program;

8 (B) that adheres to the applicable preferred drug
9 list adopted by the commission under Section 531.072;

10 (C) that includes the prior authorization
11 procedures and requirements prescribed by or implemented under
12 Sections 531.073(b), (c), and (g) for the vendor drug program;

13 (D) for purposes of which the managed care
14 organization:

15 (i) may not negotiate or collect rebates
16 associated with pharmacy products on the vendor drug program
17 formulary; and

18 (ii) may not receive drug rebate or pricing
19 information that is confidential under Section 531.071;

20 (E) that complies with the prohibition under
21 Section 531.089;

22 (F) under which the managed care organization may
23 not prohibit, limit, or interfere with a recipient's selection of a
24 pharmacy or pharmacist of the recipient's choice for the provision
25 of pharmaceutical services under the plan through the imposition of
26 different copayments;

27 (G) that allows the managed care organization or

1 any subcontracted pharmacy benefit manager to contract with a
2 pharmacist or pharmacy providers separately for specialty pharmacy
3 services, except that:

4 (i) the managed care organization and
5 pharmacy benefit manager are prohibited from allowing exclusive
6 contracts with a specialty pharmacy owned wholly or partly by the
7 pharmacy benefit manager responsible for the administration of the
8 pharmacy benefit program; and

9 (ii) the managed care organization and
10 pharmacy benefit manager must adopt policies and procedures for
11 reclassifying prescription drugs from retail to specialty drugs,
12 and those policies and procedures must be consistent with rules
13 adopted by the executive commissioner and include notice to network
14 pharmacy providers from the managed care organization;

15 (H) under which the managed care organization may
16 not prevent a pharmacy or pharmacist from participating as a
17 provider if the pharmacy or pharmacist agrees to comply with the
18 financial terms and conditions of the contract as well as other
19 reasonable administrative and professional terms and conditions of
20 the contract;

21 (I) under which the managed care organization may
22 include mail-order pharmacies in its networks, but may not require
23 enrolled recipients to use those pharmacies, and may not charge an
24 enrolled recipient who opts to use this service a fee, including
25 postage and handling fees; ~~and~~

26 (J) under which the managed care organization or
27 pharmacy benefit manager, as applicable, must pay claims in

1 accordance with Section 843.339, Insurance Code; and

2 (K) under which the managed care organization or
3 pharmacy benefit manager, as applicable:

4 (i) to place a drug on a maximum allowable
5 cost list, must ensure that:

6 (a) the drug has at least three
7 nationally available, therapeutically equivalent, multiple source
8 drugs with a significant cost difference;

9 (b) the drug is listed as
10 therapeutically and pharmaceutically equivalent or "A" rated in the
11 most recent version of the United States Food and Drug
12 Administration's Approved Drug Products with Therapeutic
13 Equivalence Evaluations, also known as the Orange Book; and

14 (c) the drug is available for purchase
15 without limitation by all pharmacies in the state from national or
16 regional wholesalers and is not obsolete or temporarily
17 unavailable;

18 (ii) must disclose to its network pharmacy
19 providers and to the commission the basis of the maximum allowable
20 cost price for each drug on the list and the methodology and sources
21 used to determine that price;

22 (iii) must update maximum allowable cost
23 price information at least every seven days and establish a
24 reasonable process to allow for the prompt notification of network
25 pharmacy providers and the commission of pricing updates;

26 (iv) must establish a reasonable process
27 for eliminating products from the maximum allowable cost list or

1 modifying maximum allowable cost prices in a timely manner to
2 remain consistent with pricing changes in the marketplace;

3 (v) must:

4 (a) provide a reasonable procedure
5 under which a network pharmacy provider may challenge a listed
6 maximum allowable cost price for a drug;

7 (b) respond to a challenge not later
8 than the 15th day after the date the challenge is made;

9 (c) make an adjustment in the drug
10 price retroactive to the date the challenge was made and make the
11 adjustment applicable to all network pharmacy providers, if the
12 challenge is successful;

13 (d) if the challenge is denied,
14 provide the reason for the denial and notify the network pharmacy
15 provider of where the drug may be purchased at a price at or below
16 the maximum allowable cost price for the relevant time period;

17 (e) allow a network pharmacy provider
18 to appeal a denied challenge by having the denial reviewed by the
19 commission according to rules adopted and procedures established by
20 the executive commissioner; and

21 (f) report to the commission every 90
22 days, and to each network pharmacy provider upon request, the total
23 number of challenges that were denied in the preceding 90-day
24 period for each maximum allowable cost list drug for which a
25 challenge was denied during the period;

26 (vi) must notify the commission not later
27 than the 21st day after implementing a practice of using a maximum

1 allowable cost list for drugs dispensed at retail but not by mail;
2 and
3 (vii) must disclose to the commission
4 whether the maximum allowable cost list used with respect to
5 billing the commission is the same as the list used when reimbursing
6 network pharmacy providers and, if not, disclose to the commission
7 any variance between amounts paid to network pharmacy providers and
8 amounts charged to the commission; and

9 (24) a requirement that the managed care organization
10 and any entity with which the managed care organization contracts
11 for the performance of services under a managed care plan disclose,
12 at no cost, to the commission and, on request, the office of the
13 attorney general all discounts, incentives, rebates, fees, free
14 goods, bundling arrangements, and other agreements affecting the
15 net cost of goods or services provided under the plan.

16 SECTION 3. (a) The Health and Human Services Commission
17 shall, in a contract between the commission and a managed care
18 organization under Chapter 533, Government Code, that is entered
19 into or renewed on or after the effective date of this Act, require
20 that the managed care organization comply with Section 533.005(a),
21 Government Code, as amended by this Act.

22 (b) The Health and Human Services Commission shall seek to
23 amend contracts entered into with managed care organizations under
24 Chapter 533, Government Code, before the effective date of this Act
25 to require those managed care organizations to comply with Section
26 533.005(a), Government Code, as amended by this Act. To the extent
27 of a conflict between that subsection and a provision of a contract

1 with a managed care organization entered into before the effective
2 date of this Act, the contract provision prevails.

3 SECTION 4. If before implementing any provision of this Act
4 a state agency determines that a waiver or authorization from a
5 federal agency is necessary for implementation of that provision,
6 the agency affected by the provision shall request the waiver or
7 authorization and may delay implementing that provision until the
8 waiver or authorization is granted.

9 SECTION 5. This Act takes effect September 1, 2013.
