6 as otherwise provided by this chapter, in the case of a conflict
7 between this chapter and another provision of this code, this
8 chapter controls.

9 Sec. 1670.004. NOTICE OF RATE INCREASE. (a) In addition
10 to any notice required to be provided under Section 1254.001, a
11 health benefit plan issuer shall notify each person responsible for
12 paying any part of an individual's premium or charge for coverage
13 under the health benefit plan, other than a person who receives
14 notice under Section 1254.001, of a rate increase scheduled to take
15 effect on the renewal of the individual's coverage that will result
16 in a total premium or charge amount for covering that individual
17 that is at least 10 percent greater than the lesser of:

18 (1) the total premium or charge amount paid for the
19 individual's coverage under the health benefit plan during the
20 12-month period preceding the coverage's renewal date; or

21 (2) the total premium or charge amount paid for the
22 individual's coverage under the health benefit plan during the
23 policy or contract period preceding the coverage's renewal date.

24 (b) A health benefit plan issuer shall send the notice
25 required by Subsection (a) before the renewal date and not later
26 than the 30th day before the date the rate increase is scheduled to
27 take effect.

1 (c) The commissioner by rule may exempt a health benefit
2 plan issuer from the notice requirements of this section for a
3 short-term policy, contract, or evidence of coverage, as defined by
4 the commissioner, that is issued by the plan issuer.

5 Sec. 1670.005. CONSIDERATION OF CERTAIN OTHER LAW. In
6 reviewing rates under this chapter, the commissioner shall consider
7 any state or federal law that may affect rates for health benefit
8 plan coverage included in a policy, contract, or evidence of
9 coverage subject to this chapter.

10 Sec. 1670.006. ADMINISTRATIVE PROCEDURE ACT APPLICABLE.
11 Chapter 2001, Government Code, applies to all rate hearings under
12 this chapter.

13 Sec. 1670.007. QUARTERLY REPORT OF PLAN ISSUER; LEGISLATIVE
14 REPORT. (a) The commissioner shall require each health benefit
15 plan issuer subject to this chapter to file quarterly with the
16 commissioner information relating to changes in losses, premiums or
17 other charges for coverage, and market share since January 1,
18 2014. The commissioner may require a health benefit plan issuer
19 subject to this chapter to report to the commissioner, in the form
20 and in the time required by the commissioner, any other information
21 the commissioner determines is necessary to comply with this
22 section.

23 (b) Quarterly, the commissioner shall report to the
24 governor, the lieutenant governor, the speaker of the house of
25 representatives, the legislature, and the public regarding:

26 (1) the information provided to the commissioner,
27 other than information made confidential by law, in the health

1 benefit plan issuers' reports under Subsection (a); and
2 (2) market conduct, including rates and consumer
3 complaints.

4 (c) The report required by Subsection (b) must:

5 (1) cover a calendar quarter;

6 (2) for each health benefit plan issuer that writes a
7 line of health benefit plan coverage subject to this chapter,
8 state:

9 (A) the plan issuer's market share;

10 (B) the plan issuer's profits and losses;

11 (C) the plan issuer's average medical loss ratio;

12 and

13 (D) whether the plan issuer submitted a rate
14 filing during the quarter covered in the report; and

15 (3) for each rate filing described by Subdivision
16 (2)(D), indicate any significant impact on holders of policies,
17 contracts, or evidences of coverage, the overall rate change from
18 the rate previously used by the plan issuer stated as a percentage,
19 and any rate changes for the previous 12, 24, and 36 months.

20 (d) Except as provided by Subsection (e), the quarterly
21 report required by Subsection (b) must be made available to the
22 governor, lieutenant governor, speaker of the house of
23 representatives, legislature, and public not later than the 90th
24 day after the last day of the calendar quarter covered by the
25 report.

26 (e) If the commissioner determines that it is not feasible
27 to provide the report required by this section within the period

1 specified by Subsection (d) for all types of health benefit plan
2 coverage subject to this chapter, the department:

3 (1) shall make the quarterly report, as applicable to
4 individual health benefit plan coverage, available within the
5 period specified by Subsection (d); and

6 (2) may delay publication of the quarterly report as
7 it relates to other types of health benefit plan coverage subject to
8 this chapter until a date specified by the commissioner.

9 SUBCHAPTER B. RATE STANDARDS

10 Sec. 1670.051. EXCESSIVE, INADEQUATE, AND UNFAIRLY
11 DISCRIMINATORY RATES. (a) A rate is excessive, inadequate, or
12 unfairly discriminatory for purposes of this chapter as provided by
13 this section.

14 (b) A rate is excessive if the rate is likely to produce a
15 long-term profit that is unreasonably high in relation to the
16 health benefit plan coverage provided.

17 (c) A rate is inadequate if:

18 (1) the rate is insufficient to sustain projected
19 losses and expenses to which the rate applies; and

20 (2) continued use of the rate:

21 (A) endangers the solvency of a health benefit
22 plan issuer using the rate; or

23 (B) has the effect of substantially lessening
24 competition or creating a monopoly in a market.

25 (d) A rate is unfairly discriminatory if the rate:

26 (1) is not based on sound actuarial principles;

27 (2) does not bear a reasonable relationship to the

1 expected loss and expense experience among risks; or

2 (3) is based wholly or partly on the race, creed,
3 color, ethnicity, or national origin of an individual or group
4 sponsoring coverage under or covered by the health benefit plan.

5 Sec. 1670.052. RATE STANDARDS. (a) In setting rates, a
6 health benefit plan issuer shall consider:

7 (1) past and prospective loss experience:

8 (A) inside this state; and

9 (B) outside this state if the data from this
10 state are not credible;

11 (2) the peculiar hazards and experiences of individual
12 risks, past and prospective, inside and outside this state, except
13 to the extent specifically prohibited by law;

14 (3) the plan issuer's actuarially credible historical
15 premium or charge, exposure, loss, and expense experience;

16 (4) catastrophe hazards in this state;

17 (5) operating expenses, excluding disallowed
18 expenses;

19 (6) investment income;

20 (7) a reasonable margin for profit; and

21 (8) any other factors inside and outside this state:

22 (A) determined to be relevant by the health
23 benefit plan issuer; and

24 (B) not disallowed by the commissioner.

25 (b) A rate may not be excessive, inadequate, or unfairly
26 discriminatory for the risks to which the rate applies.

27 (c) Except to the extent limited by other law, the health

1 benefit plan issuer may:

2 (1) group risks by classification to establish rates
3 and minimum premiums or charges for coverage; and

4 (2) modify classification rates to produce rates for
5 individual risks in accordance with rating plans that establish
6 standards for measuring variations in those risks on the basis of
7 any factor listed in Subsection (a).

8 (d) In setting rates that apply only to holders of policies,
9 contracts, or evidences of coverage in this state, a health benefit
10 plan issuer shall use available premium or charge, loss, claim, and
11 exposure information from this state to the full extent of the
12 actuarial credibility of that information. The plan issuer may use
13 experience from outside this state as necessary to supplement
14 information from this state that is not actuarially credible.

15 (e) In determining rating territories and territorial
16 rates, an insurer shall use methods based on sound actuarial
17 principles.

18 (f) Rates for a small employer health benefit plan subject
19 to Chapter 1501 must comply with this chapter and Chapter 1501. In
20 the case of a conflict between this chapter and Chapter 1501,
21 Chapter 1501 controls.

22 SUBCHAPTER C. RATE FILINGS

23 Sec. 1670.101. RATE FILINGS AND SUPPORTING INFORMATION.

24 (a) Except as provided by Subchapter D, for risks written in this
25 state, each health benefit plan issuer shall file with the
26 commissioner all rates, applicable rating manuals, supplementary
27 rating information, and additional information as required by the

1 commissioner or another provision of this code.

2 (b) The commissioner by rule shall determine the
3 information required to be included in the filing, including:

4 (1) categories of supporting information and
5 supplementary rating information;

6 (2) statistics or other information to support the
7 rates to be used by the health benefit plan issuer, including
8 information necessary to evidence that the computation of the rate
9 does not include disallowed expenses; and

10 (3) information concerning policy fees, service fees,
11 and other fees that are charged or collected by the plan issuer
12 under Section 550.001.

13 Sec. 1670.102. FILING REQUIREMENTS FOR PLAN ISSUERS WITH
14 LESS THAN FIVE PERCENT OF MARKET. In determining filing
15 requirements under Section 1670.101 for a health benefit plan
16 issuer with less than five percent of the market, the commissioner
17 shall consider specific attributes of the plan issuer and the plan
18 issuer's market, as applicable. The commissioner shall determine
19 filing requirements for those plan issuers accordingly to
20 accommodate premium or charge volume and loss experience, targeted
21 markets, limitations on coverage, and any potential barriers to
22 market entry or growth.

23 Sec. 1670.103. DISAPPROVAL OF RATE IN RATE FILING; HEARING.

24 (a) The commissioner shall disapprove a rate if the commissioner
25 determines that the rate filing made under this chapter does not
26 meet the standards established under Subchapter B or another
27 provision of this code governing the setting of rates by the health

1 benefit plan issuer.

2 (b) If the commissioner disapproves a filing, the
3 commissioner shall issue an order specifying in what respects the
4 filing fails to meet the requirements of this chapter or another
5 provision of this code governing the setting of rates by the health
6 benefit plan issuer.

7 (c) The filer is entitled to a hearing on written request
8 made to the commissioner not later than the 30th day after the date
9 the order disapproving the rate filing takes effect.

10 Sec. 1670.104. DISAPPROVAL OF RATE IN EFFECT; HEARING.

11 (a) The commissioner may disapprove a rate that is in effect only
12 after a hearing. The commissioner shall provide written notice of
13 the hearing to the filer not later than the 20th day before the date
14 of the hearing.

15 (b) The commissioner must issue an order disapproving a rate
16 under Subsection (a) not later than the 15th day after the close of
17 the hearing. The order must:

18 (1) specify in what respects the rate fails to meet the
19 requirements of this chapter or another provision of this code
20 governing the setting of rates by the health benefit plan issuer;
21 and

22 (2) state the date on which further use of the rate is
23 prohibited, which may not be earlier than the 45th day after the
24 close of the hearing under this section.

25 Sec. 1670.105. GRIEVANCE. (a) An individual or group who
26 sponsors coverage under or is covered by a health benefit plan and
27 who is aggrieved with respect to any filing under this chapter that

1 is in effect, or the public insurance counsel, may apply to the
2 commissioner in writing for a hearing on the filing. The
3 application must specify the grounds for the applicant's grievance.

4 (b) The commissioner shall hold a hearing on an application
5 filed under Subsection (a) not later than the 30th day after the
6 date the commissioner receives the application if the commissioner
7 determines that:

8 (1) the application is made in good faith;

9 (2) the applicant would be aggrieved as alleged if the
10 grounds specified in the application were established; and

11 (3) the grounds specified in the application otherwise
12 justify holding the hearing.

13 (c) The commissioner shall provide written notice of a
14 hearing under Subsection (b) to the applicant and each health
15 benefit plan issuer that made the filing not later than the 10th day
16 before the date of the hearing.

17 (d) If, after the hearing, the commissioner determines that
18 the filing does not meet the requirements of this chapter or another
19 provision of this code governing the setting of rates by the health
20 benefit plan issuer, the commissioner shall issue an order:

21 (1) specifying in what respects the filing fails to
22 meet those requirements; and

23 (2) stating the date on which the filing is no longer
24 in effect, which must be within a reasonable period after the order
25 date.

26 (e) The commissioner shall send copies of the order issued
27 under Subsection (d) to the applicant and each affected.

1 Sec. 1670.106. ROLE OF PUBLIC INSURANCE COUNSEL. (a) On
2 request to the commissioner, the public insurance counsel may
3 review all rate filings and additional information provided by a
4 health benefit plan issuer under this chapter. Confidential
5 information reviewed under this subsection remains confidential.

6 (b) The public insurance counsel, not later than the 30th
7 day after the date of a rate filing under this chapter, may file
8 with the commissioner a written objection to:

9 (1) a health benefit plan issuer's rate filing; or

10 (2) the criteria on which the plan issuer relied to
11 determine the rate.

12 (c) A written objection filed under Subsection (b) must
13 contain the reasons for the objection.

14 Sec. 1670.107. PUBLIC INSPECTION OF INFORMATION. Each
15 filing made, and any supporting information filed, under this
16 chapter is open to public inspection as of the date of the filing.

17 SUBCHAPTER D. PRIOR APPROVAL OF RATES UNDER CERTAIN CIRCUMSTANCES

18 Sec. 1670.151. REQUIREMENT TO FILE RATES FOR PRIOR APPROVAL
19 UNDER CERTAIN CIRCUMSTANCES. (a) The commissioner by order may
20 require a health benefit plan issuer to file with the department for
21 the commissioner's approval all rates, supplementary rating
22 information, and any supporting information in accordance with this
23 subchapter if the commissioner determines that:

24 (1) the plan issuer's rates require supervision
25 because of the plan issuer's financial condition or rating
26 practices; or

27 (2) a statewide health benefit coverage emergency

1 exists.

2 (b) If a health benefit plan issuer files a petition under
3 Subchapter D, Chapter 36, for judicial review of an order
4 disapproving a rate under this chapter, the plan issuer must use the
5 rates in effect for the plan issuer at the time the petition is
6 filed and may not file and use any higher rate for the same type of
7 health benefit plan coverage subject to this chapter before the
8 matter subject to judicial review is finally resolved unless the
9 health benefit plan issuer, in accordance with this subchapter,
10 files the new rate with the department, along with any applicable
11 supplementary rating information and supporting information, and
12 obtains the commissioner's approval of the rate.

13 (c) From the date of the filing of the new rate with the
14 department until the effective date of the new rate, the health
15 benefit plan issuer's previously filed rate that is in effect on the
16 date of the filing remains in effect.

17 (d) The commissioner may require a health benefit plan
18 issuer to file the plan issuer's rates under this section until the
19 commissioner determines that the conditions described by
20 Subsection (a) no longer exist.

21 (e) For purposes of this section, a rate is filed with the
22 department on the date the department receives the rate filing.

23 (f) If the commissioner requires a health benefit plan
24 issuer to file the plan issuer's rates under this section, the
25 commissioner shall issue an order specifying the commissioner's
26 reasons for requiring the rate filing. An affected plan issuer is
27 entitled to a hearing on written request made to the commissioner

1 not later than the 30th day after the date the order is issued.

2 Sec. 1670.152. RATE APPROVAL REQUIRED; EXCEPTION. (a) A
3 health benefit plan issuer subject to this subchapter may not use a
4 rate until the rate has been filed with the department and approved
5 by the commissioner in accordance with this subchapter.

6 (b) Notwithstanding Subsection (a), after a rate filing is
7 approved under this subchapter, a health benefit plan issuer,
8 without prior approval of the commissioner, may use any rate
9 subsequently filed by the plan issuer if the subsequently filed
10 rate does not exceed the lesser of:

11 (1) 107.5 percent of the rate approved by the
12 commissioner; or

13 (2) 110 percent of any rate used by the plan issuer in
14 the previous 12-month period.

15 (c) Filed rates under Subsection (b) take effect on the date
16 specified by the insurer in the rate filing.

17 Sec. 1670.153. COMMISSIONER ACTION. (a) Not later than
18 the 30th day after the date a rate is filed with the department
19 under this subchapter, the commissioner shall:

20 (1) approve the rate if the commissioner determines
21 that the rate complies with the requirements of this chapter and
22 other provisions of this code governing the setting of rates by the
23 health benefit plan issuer; or

24 (2) disapprove the rate if the commissioner determines
25 that the rate does not comply with the requirements of this chapter
26 and other provisions of this code governing the setting of rates by
27 the plan issuer.

1 (b) Except as provided by Subsection (c), if a rate has not
2 been approved or disapproved by the commissioner before the
3 expiration of the 30-day period described by Subsection (a), the
4 rate is considered approved and the health benefit plan issuer may
5 use the rate unless the rate proposed in the filing represents an
6 increase of 12.5 percent or more from the plan issuer's previously
7 filed rate.

8 (c) For good cause, the commissioner may, on the expiration
9 of the 30-day period described by Subsection (a), extend the period
10 for approval or disapproval of a rate for one additional 30-day
11 period. The commissioner and the health benefit plan issuer may
12 not by agreement extend the 30-day period described by Subsection
13 (a).

14 Sec. 1670.154. ADDITIONAL INFORMATION. (a) If the
15 department determines that the information filed by a health
16 benefit plan issuer under this chapter is incomplete or otherwise
17 deficient, the department may request additional information from
18 the plan issuer. If the department requests additional
19 information from the plan issuer during the 30-day period provided
20 by Section 1670.153(a) or under a second 30-day period provided
21 under Section 1670.153(c), the time between the date the department
22 submits the request to the plan issuer and the date the department
23 receives the information requested is not included in the
24 computation of the first 30-day period or the second 30-day period,
25 as applicable.

26 (b) For purposes of this section, the date of the
27 department's submission of a request for additional information is:

1 (1) the date of the department's electronic mailing or
2 telephone call relating to the request for additional information;
3 or

4 (2) the postmarked date on the department's letter
5 relating to the request for additional information.

6 Sec. 1670.155. NOTICE OF COMMISSIONER APPROVAL; USE OF
7 RATE. If the commissioner approves a rate filing under Section
8 1670.153, the commissioner shall provide the health benefit plan
9 issuer with a written or electronic notice of the approval. The
10 plan issuer may use the rate on receipt of the approval notice.

11 Sec. 1670.156. RATE FILING DISAPPROVAL BY COMMISSIONER;
12 HEARING. (a) If the commissioner disapproves a rate filing under
13 Section 1670.153(a)(2), the commissioner shall issue an order
14 disapproving the filing in accordance with Section 1670.103(b).

15 (b) A health benefit plan issuer whose rate filing is
16 disapproved is entitled to a hearing in accordance with Section
17 1670.103(c).

18 SECTION 2. Sections 1507.008 and 1507.058, Insurance Code,
19 are repealed.

20 SECTION 3. Subtitle K, Title 8, Insurance Code, as added by
21 this Act, applies only to rates for health benefit plan coverage
22 delivered, issued for delivery, or renewed on or after January 1,
23 2014. Rates for health benefit plan coverage delivered, issued for
24 delivery, or renewed before January 1, 2014, are governed by the law
25 in effect immediately before the effective date of this Act, and
26 that law is continued in effect for that purpose.

27 SECTION 4. This Act takes effect September 1, 2013.
