H.C.R. No. 71

CONCURRENT RESOLUTION

1 WHEREAS, Prairie View, Texas, lacks its own ZIP code, causing  
2 a number of problems for area residents and businesses, as well as  
3 for city government; and

4 WHEREAS, Only one address in the city--the U.S. Post Office  
5 located on the campus of Prairie View A&M University--has a Prairie  
6 View-specific ZIP code; all other locations within Prairie View  
7 proper, from the perspective of the U.S. Post Office, belong to  
8 either Waller or Hempstead; and

9 WHEREAS, It is possible for Prairie View residents and  
10 businesses to receive mail to the Prairie View ZIP code only if they  
11 purchase a post office box at the PVAMU post office; in other words,  
12 they are forced to choose between direct delivery to their physical  
13 location or delivery to an address that correctly reflects their  
14 municipal location; or, like Prairie View City Hall, they can  
15 choose to manage both a physical address and a mailing address; and

16 WHEREAS, This arrangement, wherein Prairie View residents  
17 and businesses have Waller or Hempstead addresses, has caused a  
18 number of unintended consequences; for one, it has dangerous  
19 ramifications for the efficiency of local emergency services;  
20 police, fire, and emergency medical services squads have all  
21 reported confusion with the current system, which does not  
22 correspond with municipal boundaries; and

23 WHEREAS, The United States Census Bureau has also reported  
24 problems, as many questionnaires for Prairie View residents were

1 incorrectly delivered to Waller and Hempstead; moreover, critical  
2 official City of Prairie View mail is often sent to the City of  
3 Hempstead or the City of Waller, and additionally, citizens  
4 regularly express confusion about their correct address and how it  
5 relates to their polling location; and

6 WHEREAS, In accordance with the United States Postal Service  
7 ZIP Code Boundary Review Process, the City of Prairie View has  
8 requested the creation of a ZIP code that includes all properties  
9 within its corporate limits, a change that would greatly benefit  
10 Prairie View residents, businesses, and city government; now,  
11 therefore, be it

12 RESOLVED, That the 83rd Legislature of the State of Texas
