1 proposing a constitutional amendment authorizing a state video  
2 lottery system to operate video lottery games at certain horse and  
3 greyhound racetracks and providing that federally recognized  
4 Indian tribes are not prohibited from conducting games of chance on  
5 certain Indian lands.

6 BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

7 SECTION 1. Section 47, Article III, Texas Constitution, is  
8 amended by amending Subsection (a) and adding Subsection (f) to  
9 read as follows:

12 Subsections (b), (d), ~~[and]~~ (e), and (f) of this section and Section  
13 47a of this article.

14 (f) This section does not prohibit a federally recognized  
15 Indian tribe from conducting games of chance on land in this state  
16 that was held in trust or recognized as tribal land of the tribe by  
17 the United States on January 1, 1998. The prohibitions provided by  
18 Section 47a of this article do not apply to games of chance by an  
19 Indian tribe on that land.

20 SECTION 2. Article III, Texas Constitution, is amended by  
21 adding Section 47a to read as follows:

22 Sec. 47a. (a) The legislature by general law in accordance  
23 with this section may authorize this state to control and operate a  
24 video lottery system under which individuals may play lottery games

of chance on video lottery terminals owned and operated by persons licensed or otherwise authorized by this state to operate video lottery at locations determined as provided by this subsection to generate additional revenue to fund state governmental programs.

The law authorizing a video lottery system must:

(1) except as otherwise provided by this section, require this state to continually monitor the activity of each video lottery terminal and remotely terminate the operation of a terminal as necessary to protect the public health, welfare, or safety or the integrity of the state lottery or to prevent financial loss to this state;

(2) include a comprehensive registration program to govern a person that manufactures, distributes, sells, or leases video lottery terminals for use or play in this state and a process to approve video lottery terminals for use in the video lottery system in accordance with technical standards established by this state;

(3) provide for a comprehensive licensing program to govern a person that owns, manages, or maintains video lottery terminals operated in this state;

(4) limit the operation of video lottery games on behalf of this state to a person licensed in this state to operate a horse or greyhound racetrack at which wagering on horse or greyhound racing is authorized, provided that the person may be licensed to conduct video lottery games only at the location licensed for conducting that wagering;

(5) prohibit and impose criminal penalties for the

possession and operation of all electronic and mechanical gaming devices other than:

(A) video lottery terminals operated in connection with the video lottery system; or

(B) a gaming device expressly authorized under other state law; and

(6) prohibit the operation or possession of a video lottery terminal that is not subject to this state's measures for monitoring and terminating operation of the terminal required by this subsection and does not generate revenue for this state, except that the law may provide for limited storage or transport of video lottery terminals as authorized by this state and for possession of video lottery terminals by this state for testing and evaluation.

(b) All shipments of video lottery terminals or gaming devices into, out of, or within this state authorized under this section or a law enacted under this section or authorized under Section 47(f) of this article are legal shipments of the devices and are exempt from the provisions of 15 U.S.C. Sections 1171-1178, prohibiting the transportation of gambling devices.

(c) The governing body of a political subdivision of this state may not take any action regarding the repeal or revocation of a previous authorization by the voters of the political subdivision to approve the legalization or conduct of pari-mutuel wagering on horse races or greyhound races at a racetrack in that political subdivision if the racetrack may be authorized under this section to operate video lottery games on behalf of this state.

1           SECTION 3. (a) Except as provided by Subsection (b) of this  
2 section, this proposed constitutional amendment shall be submitted  
3 to the voters at an election to be held November 5, 2013. The ballot  
4 shall be printed to permit voting for or against the proposition:  
5 "The constitutional amendment authorizing a state video lottery  
6 system to operate video lottery games at certain horse and  
7 greyhound racetracks and providing that federally recognized  
8 Indian tribes are not prohibited from conducting games of chance on  
9 certain Indian lands."

10           (b) This proposed constitutional amendment may be submitted  
11 to the voters as provided by Subsection (a) of this section only if  
12 a bill of the regular session of the 83rd Legislature relating to  
13 the operation of video lottery games by licensed horse and  
14 greyhound operators, to a defense for the operation of video
