

R E S O L U T I O N

1 WHEREAS, Teen pregnancy is a serious and costly issue in the
2 state and nation, forever changing the lives of the young women and
3 men who experience this unplanned event; and

4 WHEREAS, Adolescent childbearing is linked to a host of
5 public health and social challenges; girls facing unplanned
6 pregnancy are less likely to access prenatal care, and as a
7 consequence are at an increased risk of delivering premature
8 infants and infants with low birth weight; teen mothers are also
9 more likely to drop out of high school and to experience poverty,
10 and their children more often suffer from economic, medical, and
11 behavioral problems compared to children of older parents; and

12 WHEREAS, On May 1, 2013, hundreds of thousands of teens
13 throughout the country are participating in the National Day to
14 Prevent Teen Pregnancy, a collaborative effort between the National
15 Campaign to Prevent Teen and Unplanned Pregnancy and numerous
16 educators, health sector leaders, elected officials, faith-based
17 groups, and other prominent organizations; the National Day has
18 proven a success year after year in challenging adolescents to
19 think about the consequences of engaging in sexual relations and to
20 make positive choices about their futures; and

21 WHEREAS, Although the teen birth rate has been declining in
22 recent years, Texas still has one of the highest teen pregnancy
23 rates in the nation, with a cost to taxpayers of more than \$1
24 billion a year, and the National Day to Prevent Teen Pregnancy
