1-16 COMMITTEE SUBSTITUTE FOR S.B. No. 651 By: Rodriguez

1-17 A BILL TO BE ENTITLED
 1-18 AN ACT

1-19 relating to a medical power of attorney.
 1-20 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
 1-21 SECTION 1. Sections 166.163 and 166.164, Health and Safety
 1-22 Code, are amended to read as follows:
 1-23 Sec. 166.163. FORM OF DISCLOSURE STATEMENT. The disclosure
 1-24 statement must be in substantially the following form:
 1-25 INFORMATION CONCERNING THE MEDICAL POWER OF ATTORNEY
 1-26 THIS IS AN IMPORTANT LEGAL DOCUMENT. BEFORE SIGNING THIS
 1-27 DOCUMENT, YOU SHOULD KNOW THESE IMPORTANT FACTS:
 1-28 Except to the extent you state otherwise, this document gives
 1-29 the person you name as your agent the authority to make any and all
 1-30 health care decisions for you in accordance with your wishes,
 1-31 including your religious and moral beliefs, when you are no longer
 1-32 capable of making them yourself. Because "health care" means any
 1-33 treatment, service, or procedure to maintain, diagnose, or treat
 1-34 your physical or mental condition, your agent has the power to make
 1-35 a broad range of health care decisions for you. Your agent may
 1-36 consent, refuse to consent, or withdraw consent to medical
 1-37 treatment and may make decisions about withdrawing or withholding
 1-38 life-sustaining treatment. Your agent may not consent to voluntary
 1-39 inpatient mental health services, convulsive treatment,
 1-40 psychosurgery, or abortion. A physician must comply with your
 1-41 agent's instructions or allow you to be transferred to another
 1-42 physician.
 1-43 Your agent's authority begins when your doctor certifies that
 1-44 you lack the competence to make health care decisions.
 1-45 Your agent is obligated to follow your instructions when
 1-46 making decisions on your behalf. Unless you state otherwise, your
 1-47 agent has the same authority to make decisions about your health
 1-48 care as you would have had.
 1-49 It is important that you discuss this document with your
 1-50 physician or other health care provider before you sign it to make
 1-51 sure that you understand the nature and range of decisions that may
 1-52 be made on your behalf. If you do not have a physician, you should
 1-53 talk with someone else who is knowledgeable about these issues and
 1-54 can answer your questions. You do not need a lawyer's assistance to
 1-55 complete this document, but if there is anything in this document
 1-56 that you do not understand, you should ask a lawyer to explain it to
 1-57 you.
 1-58 The person you appoint as agent should be someone you know and
 1-59 trust. The person must be 18 years of age or older or a person under
 1-60 18 years of age who has had the disabilities of minority removed.

2-1 If you appoint your health or residential care provider (e.g., your
2-2 physician or an employee of a home health agency, hospital, nursing
2-3 home, or residential care home, other than a relative), that person
2-4 has to choose between acting as your agent or as your health or
2-5 residential care provider; the law does not permit a person to do
2-6 both at the same time.

2-7 You should inform the person you appoint that you want the
2-8 person to be your health care agent. You should discuss this
2-9 document with your agent and your physician and give each a signed
2-10 copy. You should indicate on the document itself the people and
2-11 institutions who have signed copies. Your agent is not liable for
2-12 health care decisions made in good faith on your behalf.

2-13 Even after you have signed this document, you have the right
2-14 to make health care decisions for yourself as long as you are able
2-15 to do so and treatment cannot be given to you or stopped over your
2-16 objection. You have the right to revoke the authority granted to
2-17 your agent by informing your agent or your health or residential
2-18 care provider orally or in writing or by your execution of a
2-19 subsequent medical power of attorney. Unless you state otherwise,
2-20 your appointment of a spouse dissolves on divorce.

2-21 This document may not be changed or modified. If you want to
2-22 make changes in the document, you must make an entirely new one.

2-23 You may wish to designate an alternate agent in the event that
2-24 your agent is unwilling, unable, or ineligible to act as your agent.
2-25 Any alternate agent you designate has the same authority to make
2-26 health care decisions for you.

2-27 THIS POWER OF ATTORNEY IS NOT VALID UNLESS:

2-28 (1) YOU SIGN IT AND HAVE YOUR SIGNATURE ACKNOWLEDGED
2-29 BEFORE A NOTARY PUBLIC; OR

2-30 (2) YOU SIGN IT [~~IS SIGNED~~] IN THE PRESENCE OF TWO
2-31 COMPETENT ADULT WITNESSES.

2-32 THE FOLLOWING PERSONS MAY NOT ACT AS ONE OF THE WITNESSES:

2-33 (1) the person you have designated as your agent;
2-34 (2) a person related to you by blood or marriage;
2-35 (3) a person entitled to any part of your estate after
2-36 your death under a will or codicil executed by you or by operation
2-37 of law;

2-38 (4) your attending physician;
2-39 (5) an employee of your attending physician;
2-40 (6) an employee of a health care facility in which you

2-41 are a patient if the employee is providing direct patient care to
2-42 you or is an officer, director, partner, or business office
2-43 employee of the health care facility or of any parent organization
2-44 of the health care facility; or

2-45 (7) a person who, at the time this power of attorney is
2-46 executed, has a claim against any part of your estate after your
2-47 death.

SECTION 2. Section 166.165, Health and Safety Code, is amended by amending Subsections (a) and (c) and adding Subsection (a-1) to read as follows:

(a) A person who is a near relative of the principal or a responsible adult who is directly interested in the principal, including a guardian, social worker, physician, or clergyman, may bring an action [~~in district court~~] to request that the medical power of attorney be revoked because the principal, at the time the medical power of attorney was signed:

- (1) was not competent; or
- (2) was under duress, fraud, or undue influence.

(a-1) In a county in which there is no statutory probate court, an action under this section shall be brought in the district court. In a county in which there is a statutory probate court, the statutory probate court and the district court have concurrent jurisdiction over an action brought under this section.

(c) During the pendency of the action, the authority of the agent to make health care decisions continues in effect unless the [~~district~~] court orders otherwise.

SECTION 3. Not later than October 1, 2013, the executive commissioner of the Health and Human Services Commission shall adopt the forms necessary to comply with the changes in law made by this Act to Sections 166.163 and 166.164, Health and Safety Code.

SECTION 4. The change in law made by this Act to Section 166.164, Health and Safety Code, does not affect the validity of a document executed under that section before the effective date of this section. A document executed before the effective date of this section is governed by the law in effect on the date the document was executed, and that law continues in effect for that purpose.

SECTION 5. The change in law made by this Act to Section 166.165, Health and Safety Code, applies to an action brought under that section on or after the effective date of this Act, regardless of whether the power of attorney was executed before, on, or after the effective date of this Act.

SECTION 6. (a) Except as provided by Subsection (b) of this section, this Act takes effect September 1, 2013.

(b) Sections 1 and 4 of this Act take effect January 1, 2014.
