1 creation of the district is essential to accomplish the purposes of
2 Sections 52 and 52-a, Article III, and Section 59, Article XVI,
3 Texas Constitution, and other public purposes stated in this
4 chapter. By creating the district and in authorizing the city, the

7 the public purposes set out in Section 52-a, Article III, Texas
8 Constitution.

9 (b) The creation of the district is necessary to promote,
10 develop, encourage, and maintain employment, commerce,
11 transportation, housing, tourism, recreation, the arts,
12 entertainment, economic development, safety, and the public
13 welfare in the district, and to accomplish the redevelopment of the
14 land in the district.

15 (c) This chapter and the creation of the district may not be
16 interpreted to relieve the city or the county from providing the
17 level of services provided as of the effective date of the Act
18 enacting this chapter to the area in the district. The district is
19 created to supplement and not to supplant East End district, city,
20 or county services provided in the district.

21 Sec. 3910.004. FINDINGS OF BENEFIT AND PUBLIC PURPOSE.

22 (a) The district is created to serve a public use and benefit.

23 (b) All land and other property included in the district
24 will benefit from the improvements and services to be provided by
25 the district under powers conferred by Sections 52 and 52-a,
26 Article III, and Section 59, Article XVI, Texas Constitution, and
27 other powers granted under this chapter.

1 (c) The creation of the district is in the public interest
2 and is essential to further the public purposes of:

6 (3) developing or expanding transportation and
7 commerce.

8 (d) The district will:

9 (1) promote the health, safety, and general welfare of
10 residents, employers, potential employees, employees, visitors,
11 and consumers in the district, and of the public;

14 the district territory as a community and business center;

16 of the public by providing pedestrian ways and by landscaping and
17 developing certain areas in the district, which are necessary for
18 the restoration, preservation, and enhancement of scenic beauty;

20 (4) provide for water, wastewater, drainage, road, and
21 recreational facilities for the district.

23 grade or above or below the surface, and street lighting, street
24 landscaping, parking, and street art objects are parts of and
25 necessary components of a street and are considered to be a street
26 or road improvement.

27 (f) The district will not act as the agent or

1 instrumentality of any private interest even though the district
2 will benefit many private interests as well as the public.

3 Sec. 3910.005. INITIAL DISTRICT TERRITORY. (a) The
4 district is initially composed of the territory described by
5 Section 2 of the Act enacting this chapter.

6 (b) The boundaries and field notes contained in Section 2 of
7 the Act enacting this chapter form a closure. A mistake in the
8 field notes or in copying the field notes in the legislative process
9 does not affect the district's:

10 (1) organization, existence, or validity;

11 (2) right to issue any type of bond for the purposes
12 for which the district is created or to pay the principal of and
13 interest on the bond;

5 Section 49.108, Water Code, the district may impose a tax other than

8 the contract have been approved by a majority of the district voters
9 voting at an election held for that purpose.

10 (b) A contract approved by the district voters may contain a
