S.B. No. 1156

A BILL TO BE ENTITLED 1 AN ACT 2 relating to land reclamation projects using tires. 3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS: SECTION 1. Subchapter C, Chapter 361, Health and Safety 4 5 Code, is amended by adding Section 361.1126 to read as follows: 6 Sec. 361.1126. LAND RECLAMATION PROJECTS USING TIRES. (a) 7 In this section: (1) "Land reclamation" means the process of restoring 8 an area of excavated, deteriorated, or disturbed land to its 9 approximate natural grade and to prepare or reclaim the land for 10 11 reuse. 12 (2) "Scrap tire" has the meaning assigned by Section 13 361.112. 14 (b) A person may not begin a land reclamation project using scrap tires without a permit issued by the commission under this 15 16 section. (c) A person may not use scrap tires for a land reclamation 17 project unless the tires are shredded, split, or quartered as 18 provided by commission rule. The commission may grant an exception 19 to this requirement if the commission finds that circumstances 20 21 warrant the exception. (d) The commission may not grant a permit for a land 22 23 reclamation project using scrap tires before: 24 (1) the commission receives comments or suggestions

S.B. No. 1156

| 1 | <u>from:</u> |
|----|---|
| 2 | (A) the governing body of any municipality in the |
| 3 | corporate limits or extraterritorial jurisdiction of which the |
| 4 | proposed project is located; |
| 5 | (B) the commissioners court of each county in |
| 6 | which the proposed project is located; |
| 7 | (C) each groundwater conservation district, if |
| 8 | any, in which the proposed project is located; and |
| 9 | (D) each regional planning commission, council |
| 10 | of governments, or similar regional planning agency created under |
| 11 | Chapter 391, Local Government Code, if any, for the region in which |
| 12 | the proposed project is located; or |
| 13 | (2) the earlier of: |
| 14 | (A) the 61st day after the date the application |
| 15 | to request a permit for the project is submitted to the commission; |
| 16 | or |
| 17 | (B) the day following the first date the |
| 18 | commissioners court of each county in which the proposed project is |
| 19 | located has conducted two regularly scheduled meetings following |
| 20 | the date the application was submitted to the commission. |
| 21 | (e) The application to request a permit for a land |
| 22 | reclamation project using scrap tires must include at a minimum: |
| 23 | (1) a legal description of the area to be reclaimed; |
| 24 | (2) a map clearly identifying the area to be reclaimed |
| 25 | and the topography of the area; |
| 26 | (3) an affidavit from the property owner certifying |
| 27 | that the reclamation project complies with this section and the |

S.B. No. 1156

1 rules adopted under this section; 2 (4) a demonstration of the seasonal high groundwater 3 level in the area in which the proposed project is located; and 4 (5) an analysis and evaluation of the environmental 5 impacts on the soil and groundwater in the area of the proposed project that compare the impact of using scrap tires for the 6 7 proposed reclamation project to the impact of at least one reasonable alternative method of land reclamation for the proposed 8 project. 9 10 (f) A person submitting an application to request a permit under this section must mail a copy of the application to the 11 12 commissioners court of each county in which the proposed project is located and provide notice to the other entities listed in 13 Subsection (d). Proof of notice must be provided in the form and 14 15 manner described by commission rule. (g) The executive director may request that a person 16 17 submitting an application to request a permit under this section provide additional information if the executive director 18 19 determines that the application does not address all applicable requirements of this section or commission rules adopted under this 20 section or any potential risks to public health or the environment. 21 22 (h) The commission may not grant a permit under this section if the commission receives notice before issuing the permit that 23 24 the proposed project violates a local regulation, ordinance, order, or other law in the area in which the proposed project is located. 25 26 (i) The commission by rule shall: (1) prescribe minimum standards to protect the soil 27

1 and water for a land reclamation project using scrap tires; and 2 (2) adopt application forms and procedures for the permitting process under this section, including the adoption of a 3 procedure that allows the electronic submission of applications. 4 (j) The commission may amend, extend, transfer, or renew a 5 permit issued under this section as provided by this chapter and 6 7 commission rule. 8 (k) The notice and hearing procedures provided by this subchapter apply to a permit issued, amended, extended, or renewed 9 10 under this section. (1) The commission may, for good cause, deny, revoke, 11 12 suspend, annul, or amend a permit under this section for reasons concerning public health and safety, air or water pollution, land 13 14 use, or a violation of this section as provided by Section 361.089. 15 SECTION 2. (a) Before September 1, 2014, the Texas Commission on Environmental Quality shall adopt any rules required 16 17 to implement Section 361.1126, Health and Safety Code, as added by this Act. 18 On or after the effective date of this Act, any person 19 (b)

20 responsible for an ongoing or pending land reclamation project 21 using scrap tires that has not yet placed the tires below ground may 22 not place the tires below ground until the person has obtained a 23 permit under Section 361.1126, Health and Safety Code, as added by 24 this Act.

(c) To the extent that a land reclamation project using scrap tires has placed tires below ground before the effective date of this Act, the project is subject to the law in effect on the date

4

S.B. No. 1156 1 the tires were placed below ground, and that law is continued in 2 effect for that purpose.

3 SECTION 3. This Act takes effect immediately if it receives 4 a vote of two-thirds of all the members elected to each house, as 5 provided by Section 39, Article III, Texas Constitution. If this 6 Act does not receive the vote necessary for immediate effect, this 7 Act takes effect September 1, 2013.
