S.B. No. 1210

A BILL TO BE ENTITLED

AN ACT

relating to conditions on the receipt of tuition and fee exemptions and waivers at public institutions of higher education.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter D, Chapter 54, Education Code, is amended by adding Section 54.2001 to read as follows:

Sec. 54.2001. CONTINUED RECEIPT OF EXEMPTIONS OR WAIVERS CONDITIONAL. (a) Notwithstanding any other law but subject to Subsection (f), after initially qualifying under this subchapter for a mandatory or discretionary exemption or waiver from the payment of all or part of the tuition or other fees for enrollment during a semester or term at an institution of higher education, a person may continue to receive the exemption or waiver for a subsequent semester or term only if the person:

(1) as a graduate or undergraduate student, maintains a grade point average that satisfies the institution's grade point average requirement for making satisfactory academic progress toward a degree or certificate in accordance with the institution's policy regarding eligibility for financial aid; and

(2) as an undergraduate student, has not completed as of the beginning of the semester or term a number of semester credit hours that is considered to be excessive under Section 54.014, unless permitted to complete those hours by the institution on a showing of good cause.

1 (b) In determining whether a person has completed a number
2 of semester credit hours that is considered to be excessive for
3 purposes of Subsection (a)(2), semester credit hours completed
4 include transfer credit hours that count toward the person's
5 undergraduate degree or certificate program course requirements
6 but exclude:

7 (1) hours earned exclusively by examination;

8 (2) hours earned for a course for which the person
9 received credit toward the person's high school academic
10 requirements; and

11 (3) hours earned for developmental coursework that an
12 institution of higher education required the person to take under
13 Section 51.3062 or under the former provisions of Section 51.306.

14 (c) If on the completion of any semester or term a person
15 fails to meet any requirement of Subsection (a), for the next
16 semester or term in which the person enrolls the person may not
17 receive the exemption or waiver described by Subsection (a). A
18 person may become eligible to receive an exemption or waiver in a
19 subsequent semester or term if the person:

20 (1) completes a semester or term during which the
21 person is not eligible for an exemption or waiver; and

22 (2) meets each requirement of Subsection (a), as
23 applicable.

24 (d) Each institution of higher education shall adopt a
25 policy to allow a student who fails to maintain a grade point
26 average as required by Subsection (a)(1) to receive an exemption or
27 waiver in any semester or term on a showing of hardship or other

1 good cause, including:

2 (1) a showing of a severe illness or other
3 debilitating condition that could affect the student's academic
4 performance;

5 (2) an indication that the student is responsible for
6 the care of a sick, injured, or needy person and that the student's
7 provision of care could affect the student's academic performance;

8 (3) the student's active duty or other service in the
9 United States armed forces; or

10 (4) any other cause considered acceptable by the
11 institution.

12 (e) An institution of higher education shall maintain
13 documentation of each exception granted to a student under
14 Subsection (d).

15 (f) If a requirement imposed by this section for the
16 continued receipt of a specific exemption or waiver conflicts with
17 another requirement imposed by statute for that exemption or
18 waiver, the stricter requirement prevails.

19 (g) This section does not apply to:

20 (1) the waiver provided by Section 54.216 or to any
21 other reduction in tuition provided to a high school student for
22 enrollment in a dual credit course or other course for which the
23 student may earn joint high school and college credit; or

24 (2) any provision of this code that authorizes or
25 requires the payment of tuition or fees at the rates provided for
26 residents of this state by a person who is not a resident of this
27 state for purposes of Subchapter B.

1 SECTION 2. The change in law made by this Act applies to a
2 person's eligibility for an exemption or waiver from the payment of
3 all or part of tuition or other fees beginning with tuition and fees
4 charged for the 2012 fall semester.

5 SECTION 3. This Act takes effect immediately if it receives
6 a vote of two-thirds of all the members elected to each house, as
7 provided by Section 39, Article III, Texas Constitution. If this
8 Act does not receive the vote necessary for immediate effect, this
9 Act takes effect September 1, 2013.
