6 the person making the disclosure must certify in the disclosure

21 (2) efforts by the disclosing party to conduct
22 environmental or health and safety audits;

5 regulatory agency of the fact that it is planning to commence the
6 audit. The notice shall specify the facility or portion of the
7 facility to be audited, the anticipated time the audit will begin,
8 and the general scope of the audit. The notice may provide
9 notification of more than one scheduled environmental or health and
10 safety audit at a time. This subsection does not apply to an audit
11 conducted before the acquisition closing date by a person
12 considering the acquisition of the regulated facility or operation
13 that is the subject of the audit.

14 (g-1) A person that begins an audit before becoming the

5 SECTION 5. The change in law made by this Act applies only
6 to an environmental or health and safety audit initiated on or after
7 the effective date of this Act. An audit initiated before the
8 effective date of this Act is governed by the law in effect on the
9 date the audit was initiated, and the former law is continued in
10 effect for that purpose.

11 SECTION 6. This Act takes effect September 1, 2013.
