6 plaintiff, the defendant is entitled to recover three times the
7 court costs.

8 (c) If a service member of the Texas military forces is sued
9 for injury to a person or property occurring in the performance of
10 or an attempt to perform a duty required by law, the court shall

3 general under this section may not exceed the amount of money
4 available to fund the assistance awards.

5 (h) From money appropriated for purposes of this section,
6 the department shall authorize the comptroller to reimburse an
7 institution of higher education in an amount equal to the amount of
8 the exemption from tuition and mandatory fees the institution
9 grants to a person under Section 54.345, Education Code.

10 (i) From money appropriated for purposes of this section,
11 the department shall authorize the comptroller to make a grant to a
12 service member attending a private or independent institution of
13 higher education to whom the adjutant general has awarded
14 assistance for tuition and mandatory fees for the semester under
