5 Sec. 501.023. USE OF ADMINISTRATIVE SEGREGATION. (a) The
6 department shall conduct a review of the department's policies
7 regarding the use of administrative segregation. The review must
8 examine methods to reduce the number of inmates housed in
9 administrative segregation, including alternatives to
10 administrative segregation. Based on the review, the department

13 (b) The plan must provide an inmate confined in

15 inmate's assessed risks and needs and the personal safety of the
16 inmate or another person:

17 (1) the opportunity to participate in programs and
18 services in the inmate's cell that are similar to the educational
19 courses, work-related training, or other technical or vocational
20 programs that are available to the general inmate population;

21 (2) increases in the amount of time the inmate is
22 allowed out of the inmate's cell based on the length of the inmate's

2 (c) In addition to the requirements of Subsection (b), for
3 an inmate confined in administrative segregation for reasons other
4 than the inmate's misconduct or disciplinary record or membership
5 in a gang or identified security threat group, the plan must allow
6 the inmate:

7 (1) adequate and regular access to mental health
8 services; and

9 (2) if the inmate will be confined in administrative
10 segregation immediately before the inmate's release or discharge
11 from the department, access to services and programs that assist

19 (d) The department shall develop and include in the plan a
20 program that provides an opportunity for an inmate who is confined
21 in administrative segregation based on the inmate's membership in a
22 gang or security threat group to return to the general prison

24 must be available to an inmate who:
