1-19 A BILL TO BE ENTITLED
 1-20 AN ACT

1-21 relating to the office of inspector general of the Health and Human
 1-22 Services Commission.

1-23 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

1-24 SECTION 1. Section 531.1011, Government Code, is amended to
 1-25 read as follows:

1-26 Sec. 531.1011. DEFINITIONS. For purposes of this
 1-27 subchapter:

1-28 (1) "Abuse" means provider practices that are
 1-29 inconsistent with sound fiscal, business, or medical practices, and
 1-30 result in an unnecessary cost to the Medicaid program, or in
 1-31 reimbursement for services that are not medically necessary or that
 1-32 fail to meet professionally recognized standards for health care,
 1-33 including beneficiary practices that result in unnecessary cost to
 1-34 the Medicaid program.

1-35 (2) "Allegation of fraud" means an allegation of
 1-36 Medicaid fraud received by the commission from any source, that has
 1-37 not been verified by the state, including an allegation based upon
 1-38 fraud hotline complaints, claims mining data, data analysis
 1-39 processes or patterns identified through provider audits, civil
 1-40 false claims cases, and law enforcement investigations.

1-41 (3) "Fraud" means an intentional deception or
 1-42 misrepresentation made by a person with the knowledge that the
 1-43 deception could result in some unauthorized benefit to that person
 1-44 or some other person, including any act that constitutes fraud
 1-45 under Chapter 36, Human Resources Code, or applicable federal or
 1-46 state law.

1-47 (4) ~~(2)~~ "Furnished" refers to items or services
 1-48 provided directly by, or under the direct supervision of, or
 1-49 ordered by a practitioner or other individual (either as an
 1-50 employee or in the individual's own capacity), a provider, or other
 1-51 supplier of services, excluding services ordered by one party but
 1-52 billed for and provided by or under the supervision of another.

1-53 (5) "Payment hold" ~~(3) "Hold on payment"~~ means the
 1-54 temporary denial of reimbursement under the Medicaid program for
 1-55 items or services furnished by a specified provider.

1-56 (6) "Physician" includes an individual licensed to
 1-57 practice medicine in this state, a professional association
 1-58 composed solely of physicians, a single legal entity authorized to
 1-59 practice medicine owned by two or more physicians, a nonprofit
 1-60 health corporation certified by the Texas Medical Board under

2-1 Chapter 162, Occupations Code, or a partnership composed solely of
 2-2 physicians.

2-3 (7) [~~4~~] "Practitioner" means a physician or other
 2-4 individual licensed under state law to practice the individual's
 2-5 profession.

2-6 (8) [~~5~~] "Program exclusion" means the suspension of
 2-7 a provider from being authorized under the Medicaid program to
 2-8 request reimbursement of items or services furnished by that
 2-9 specific provider.

2-10 (9) [~~6~~] "Provider" means a person, firm,
 2-11 partnership, corporation, agency, association, institution, or
 2-12 other entity that was or is approved by the commission to:

2-13 (A) provide medical assistance under contract or
 2-14 provider agreement with the commission; or

2-15 (B) provide third-party billing vendor services
 2-16 under a contract or provider agreement with the commission.

2-17 SECTION 2. Section 531.102, Government Code, is amended by
 2-18 amending Subsection (g) and adding Subsections (l) and (m) to read
 2-19 as follows:

2-20 (g)(1) Whenever the office learns or has reason to suspect
 2-21 that a provider's records are being withheld, concealed, destroyed,
 2-22 fabricated, or in any way falsified, the office shall immediately
 2-23 refer the case to the state's Medicaid fraud control unit. However,
 2-24 such criminal referral does not preclude the office from continuing
 2-25 its investigation of the provider, which investigation may lead to
 2-26 the imposition of appropriate administrative or civil sanctions.

2-27 (2) In addition to other instances authorized under
 2-28 state or federal law, the office ~~may~~ [~~shall~~] impose without prior
 2-29 notice a hold on payment of claims for reimbursement submitted by a
 2-30 provider to compel production of records, when requested by the
 2-31 state's Medicaid fraud control unit, or upon the determination that
 2-32 a credible allegation of fraud exists [on receipt of reliable
 2-33 evidence that the circumstances giving rise to the hold on payment
 2-34 involve fraud or wilful misrepresentation under the state Medicaid
 2-35 program in accordance with 42 C.F.R. Section 455.23, as
 2-36 applicable]. The office must notify the provider of the hold on
 2-37 payment in accordance with 42 C.F.R. Section 455.23(b).
 2-38 Notwithstanding the requirements of 42 C.F.R. Section 455.23(b),
 2-39 the notice of payment hold provided under this subsection shall
 2-40 also include:

2-41 (A) the specific basis for the hold, including,
 2-42 if available, identification of the claims supporting the
 2-43 allegation at that point in the investigation; and

2-44 (B) a description of administrative and judicial
 2-45 due process remedies, including an informal review, a formal
 2-46 administrative appeal hearing, or both.

2-47 (3) On timely written request by a provider subject to
 2-48 a hold on payment under Subdivision (2), other than a hold requested
 2-49 by the state's Medicaid fraud control unit, the office shall file a
 2-50 request with the State Office of Administrative Hearings for an
 2-51 expedited administrative hearing regarding the hold. The provider
 2-52 must request an expedited hearing under this subdivision not later
 2-53 than the 10th day after the date the provider receives notice from
 2-54 the office under Subdivision (2). Unless otherwise determined by
 2-55 the administrative law judge for good cause at the administrative
 2-56 hearing, the state and the subject provider shall each be
 2-57 responsible for one-half of the costs charged by the State Office of
 2-58 Administrative Hearings, for one-half of the costs for transcribing
 2-59 the hearing, and for each party's own additional costs related to
 2-60 the administrative hearing, including costs associated with
 2-61 discovery, depositions, subpoenas, services of process and witness
 2-62 expenses, preparation for the administrative hearing,
 2-63 investigation costs, travel expenses, investigation expenses, and
 2-64 all other costs, including attorney's fees, associated with the
 2-65 case.

2-66 (4) Following an administrative hearing under
 2-67 Subdivision (3), a provider subject to a hold on payment, other than
 2-68 a hold requested by the state's Medicaid fraud control unit, may
 2-69 appeal a final administrative order by filing a petition for

3-1 judicial review in a district court in Travis County.

3-2 (5) The executive commissioner [~~commission~~] shall
 3-3 adopt rules that allow a provider subject to a hold on payment under
 3-4 Subdivision (2), other than a hold requested by the state's
 3-5 Medicaid fraud control unit, to seek an informal resolution of the
 3-6 issues identified by the office in the notice provided under that
 3-7 subdivision. A provider must request [~~seek~~] an informal resolution
 3-8 meeting under this subdivision not later than the deadline
 3-9 prescribed by Subdivision (3). On timely request, the office shall
 3-10 schedule an informal resolution meeting not later than the 60th day
 3-11 after the date the office receives the request from the provider,
 3-12 but may schedule a meeting later if requested by the provider. The
 3-13 office shall give notice to the provider of the time and place of
 3-14 the informal resolution meeting not later than the 30th day before
 3-15 the date the informal resolution meeting is held. A provider may
 3-16 request a second informal resolution not later than 10 days after
 3-17 the date of the initial informal resolution meeting. Upon timely
 3-18 request, the office shall schedule a second informal resolution
 3-19 meeting not later than the 45th day after the date the office
 3-20 receives the request from the provider, but may schedule a meeting
 3-21 later if requested by the provider. The office shall give notice to
 3-22 the provider of the time and place of the second informal resolution
 3-23 meeting not later than the 20th day before the date the second
 3-24 informal resolution meeting is held. A provider shall have an
 3-25 opportunity to provide additional information before the second
 3-26 resolution meeting for consideration by the office. A provider's
 3-27 decision to request [~~seek~~] an informal resolution under this
 3-28 subdivision does not extend the time by which the provider must
 3-29 request an expedited administrative hearing under Subdivision (3).
 3-30 However, a hearing initiated under Subdivision (3) shall be stayed
 3-31 [~~at the office's request~~] until the informal resolution process is
 3-32 completed.

3-33 (6) [~~(5)~~] The office shall, in consultation with the
 3-34 state's Medicaid fraud control unit, establish guidelines under
 3-35 which holds on payment or program exclusions:

- 3-36 (A) may permissively be imposed on a provider; or
 3-37 (B) shall automatically be imposed on a provider.

3-38 (1) The office shall employ a medical director who is a
 3-39 licensed physician under Subtitle B, Title 3, Occupations Code, and
 3-40 the rules adopted under that subtitle by the Texas Medical Board.
 3-41 The medical director shall ensure that any investigative findings
 3-42 based on medical necessity or quality of care have been reviewed by
 3-43 a qualified expert as described by the Texas Rules of Evidence
 3-44 before the office imposes a payment hold or seeks recoupment of an
 3-45 overpayment, damages, or penalties.

3-46 (m) The office, acting through the commission, shall adopt
 3-47 rules establishing the criteria for initiating a full-scale fraud
 3-48 or abuse investigation, conducting the investigation, collecting
 3-49 evidence, accepting and approving a provider's request to post a
 3-50 surety bond to secure potential recoupments in lieu of a payment
 3-51 hold or other asset or payment guarantee, and establishing minimum
 3-52 training requirements for Medicaid provider fraud or abuse
 3-53 investigators.

3-54 SECTION 3. Subchapter C, Chapter 531, Government Code, is
 3-55 amended by adding Sections 531.118, 531.119, 531.120, and 531.1201
 3-56 to read as follows:

3-57 Sec. 531.118. INTEGRITY REVIEWS OF ALLEGATIONS OF FRAUD.

3-58 (a) The commission shall maintain a record of all allegations of
 3-59 fraud against a Medicaid provider containing the date the
 3-60 allegation of fraud was received or identified and the source of the
 3-61 allegation, if available. This record shall remain confidential
 3-62 under Sections 531.1021 (g) and (h).

3-63 (b) If the commission receives an allegation of fraud
 3-64 against a Medicaid provider from any source, the office must
 3-65 conduct an integrity review of each allegation of fraud to
 3-66 determine whether there is sufficient basis to warrant a full
 3-67 investigation. An integrity review must begin not later than the
 3-68 30th day after the date the commission receives or identifies an
 3-69 allegation of fraud.

4-1 (c) An integrity review shall consist of a review of all
 4-2 allegations, facts, and evidence by the commission's office of
 4-3 inspector general and must result in a preliminary investigation
 4-4 report documenting the allegations, evidence reviewed, if
 4-5 available, procedures utilized to conduct the preliminary
 4-6 investigation, findings of the preliminary investigation, and the
 4-7 office's determination of whether a full investigation is warranted
 4-8 before the allegation proceeds to a full investigation.

4-9 (d) If the Medicaid fraud control unit or other law
 4-10 enforcement agency accepts a fraud referral from the office for
 4-11 investigation, a payment hold based upon a credible allegation of
 4-12 fraud may be continued until such time as that investigation and any
 4-13 associated enforcement proceedings are completed.

4-14 (e) If the Medicaid fraud control unit or any other law
 4-15 enforcement agency declines to accept the fraud referral for
 4-16 investigation, a payment hold based upon a credible allegation of
 4-17 fraud must be discontinued unless the commission has alternative
 4-18 federal or state authority by which it may impose a payment hold or
 4-19 unless the office makes a fraud referral to another law enforcement
 4-20 agency.

4-21 (f) On a quarterly basis, the office must request a
 4-22 certification from the state's Medicaid fraud control unit or other
 4-23 law enforcement agency that any matter accepted on the basis of a
 4-24 credible allegation of fraud referral continues to be under
 4-25 investigation and that the continuation of the payment hold is
 4-26 warranted.

4-27 Sec. 531.119. WEBSITE POSTING. The office shall post on its
 4-28 publicly available website a description, in plain English, of the
 4-29 processes and procedures that the office uses to determine whether
 4-30 to impose a hold on a payment to a provider under this subchapter.

4-31 Sec. 531.120. INFORMAL RESOLUTION OF PROPOSED
 4-32 OVERPAYMENTS. (a) The commission or the commission's office of
 4-33 inspector general must provide a provider with written notice of
 4-34 intent to recover any proposed overpayment or debt amount and any
 4-35 related damages or penalties arising out of a fraud or abuse
 4-36 investigation. The notice shall include the specific basis for
 4-37 overpayment, a description of facts and supporting evidence, if
 4-38 available, extrapolation methodology, the calculation of
 4-39 overpayment amount, damages and penalties, if applicable, and a
 4-40 description of administrative and judicial due process remedies,
 4-41 including an informal review, a formal administrative appeal
 4-42 hearing, or both.

4-43 (b) A provider must request an informal resolution meeting
 4-44 under this section not later than the 15th day after the date the
 4-45 provider receives notice under Subsection (a). On receipt of a
 4-46 timely request, the office shall schedule an informal resolution
 4-47 meeting not later than the 60th day after the date the office
 4-48 receives the request from the provider, but may schedule a hearing
 4-49 later if requested by the provider. The office shall give notice to
 4-50 the provider of the time and place of the informal resolution
 4-51 meeting not later than the 30th day before the date the informal
 4-52 resolution meeting is held. A provider may request a second
 4-53 informal resolution not later than 10 days after the initial
 4-54 informal resolution meeting. On receipt of a timely request, the
 4-55 office shall schedule a second informal resolution meeting not
 4-56 later than the 45th day after the date the office receives the
 4-57 request from the provider, but may schedule a meeting later if
 4-58 requested by the provider. The office shall give notice to the
 4-59 provider of the time and place of the second informal resolution
 4-60 meeting not later than the 20th day before the date the informal
 4-61 resolution meeting is held. A provider shall have an opportunity to
 4-62 provide additional information before the second resolution
 4-63 meeting for consideration by the office.

4-64 Sec. 531.1201. RECOUPMENT OF OVERPAYMENTS OR RECOUPMENT OF
 4-65 DEBT; APPEALS. (a) A provider must request an appeal under this
 4-66 section not later than the 15th day after the date the provider
 4-67 receives notice under Section 531.120(a). On receipt of a timely
 4-68 written request by a provider who is the subject of a recoupment of
 4-69 overpayment or recoupment of debt arising out of a fraud or abuse

5-1 investigation, the office of inspector general shall file a
 5-2 docketing request with the State Office of Administrative Hearings
 5-3 or the Health and Human Services Commission appeals division, as
 5-4 requested by the provider, for an administrative hearing regarding
 5-5 the proposed recoupment amount and any associated damages or
 5-6 penalties. The office shall file the docketing request under this
 5-7 section not later than 60 days after the provider's request for an
 5-8 administrative hearing or not later than 60 days after the
 5-9 completion of the informal resolution process, if applicable.
 5-10 Unless otherwise determined by the administrative law judge at the
 5-11 administrative hearing under this subsection for good cause, the
 5-12 state and the subject provider shall each be responsible for
 5-13 one-half of the costs charged by the State Office of Administrative
 5-14 Hearings, for one-half of the costs for transcribing the hearing,
 5-15 and for each party's own additional costs related to the
 5-16 administrative hearing, including costs associated with discovery,
 5-17 depositions, subpoenas, services of process and witness expenses,
 5-18 preparation for the administrative hearing, investigation costs,
 5-19 travel expenses, investigation expenses, and all other costs,
 5-20 including attorney's fees, associated with the case.

5-21 (b) Following an administrative hearing under Subsection
 5-22 (a), a provider who is the subject of a recoupment of overpayment or
 5-23 recoupment of debt arising out of a fraud or abuse investigation may
 5-24 appeal a final administrative order by filing a petition for
 5-25 judicial review in a district court in Travis County.

5-26 SECTION 4. Section 32.0291, Human Resources Code, is
 5-27 amended to read as follows:

5-28 Sec. 32.0291. PREPAYMENT REVIEWS AND PAYMENT [~~POSTPAYMENT~~]
 5-29 HOLDS. (a) Notwithstanding any other law, the department may:

5-30 (1) perform a prepayment review of a claim for
 5-31 reimbursement under the medical assistance program to determine
 5-32 whether the claim involves fraud or abuse; and

5-33 (2) as necessary to perform that review, withhold
 5-34 payment of the claim for not more than five working days without
 5-35 notice to the person submitting the claim.

5-36 (b) Notwithstanding any other law and subject to Section
 5-37 531.102, Government Code, the department may impose a payment
 5-38 [~~postpayment~~] hold on payment of future claims submitted by a
 5-39 provider [~~if the department has reliable evidence that the provider~~
 5-40 ~~has committed fraud or wilful misrepresentation regarding a claim~~
 5-41 ~~for reimbursement under the medical assistance program]. The~~
 5-42 department must notify the provider of the payment [~~postpayment~~]
 5-43 hold not later than the fifth working day after the date the hold is
 5-44 imposed.

5-45 (c) A payment hold authorized by this section is governed by
 5-46 the requirements and procedures specified for a payment hold under
 5-47 Section 531.102, Government Code, including the notice
 5-48 requirements under Subsection (g) of that section [~~On timely~~
 5-49 ~~written request by a provider subject to a postpayment hold under~~
 5-50 ~~Subsection (b), the department shall file a request with the State~~
 5-51 ~~Office of Administrative Hearings for an expedited administrative~~
 5-52 ~~hearing regarding the hold. The provider must request an expedited~~
 5-53 ~~hearing under this subsection not later than the 10th day after the~~
 5-54 ~~date the provider receives notice from the department under~~
 5-55 ~~Subsection (b). The department shall discontinue the hold unless~~
 5-56 ~~the department makes a prima facie showing at the hearing that the~~
 5-57 ~~evidence relied on by the department in imposing the hold is~~
 5-58 ~~relevant, credible, and material to the issue of fraud or wilful~~
 5-59 ~~misrepresentation.~~

5-60 [(d) The department shall adopt rules that allow a provider
 5-61 subject to a postpayment hold under Subsection (b) to seek an
 5-62 informal resolution of the issues identified by the department in
 5-63 the notice provided under that subsection. A provider must seek an
 5-64 informal resolution under this subsection not later than the
 5-65 deadline prescribed by Subsection (c). A provider's decision to
 5-66 seek an informal resolution under this subsection does not extend
 5-67 the time by which the provider must request an expedited
 5-68 administrative hearing under Subsection (c). However, a hearing
 5-69 initiated under Subsection (c) shall be stayed at the department's

6-1 ~~request until the informal resolution process is completed].~~

6-2 SECTION 5. If before implementing any provision of this
6-3 Act, a state agency determines that a waiver or authorization from a
6-4 federal agency is necessary for the implementation of that
6-5 provision, the agency affected by the provision shall request the
6-6 waiver or authorization and may delay implementing that provision
6-7 until the waiver or authorization is granted.

6-8 SECTION 6. This Act takes effect September 1, 2013.
