(1) "Board" means the district's board of directors.

(2) "City" means the City of Aubrey.

(3) "County" means Denton County.

(4) "Director" means a board member.

(5) "District" means the Comanche Municipal Management District No. 1.

Sec. 3918.002. NATURE OF DISTRICT. The Comanche Municipal Management District No. 1 is a special district created under Sections 52 and 52-a, Article III, and Section 59, Article XVI, Texas Constitution.

Sec. 3918.003. CONFIRMATION AND DIRECTORS' ELECTION REQUIRED. The initial directors shall hold an election to confirm the creation of the district and to elect five permanent directors as provided by Section 49.102, Water Code.

Sec. 3918.004. CITY CONSENT AND DEVELOPMENT AGREEMENT

1 EXECUTION REQUIRED. (a) The initial directors may not hold an  
2 election under Section 3918.003 until the city has:

3 (1) consented by ordinance or resolution to the  
4 creation of the district and to the inclusion of land in the  
5 district; and

6 (2) entered into a development agreement with the  
7 owners of the real property in the district under Section 212.172,  
8 Local Government Code.

9 (b) The district is dissolved and this chapter expires  
10 September 1, 2017, if:

11 (1) the city has not consented to the creation of the  
12 district and to the inclusion of land in the district under  
13 Subsection (a)(1) before that date; or

14 (2) the development agreement described by Subsection  
15 (a)(2) is not entered into before that date.

16 Sec. 3918.005. PURPOSE; DECLARATION OF INTENT. (a) The

18 Sections 52 and 52-a, Article III, and Section 59, Article XVI,  
19 Texas Constitution, and other public purposes stated in this  
20 chapter. By creating the district, and in authorizing the city and  
21 other political subdivisions to contract with the district, the  
22 legislature has established a program to accomplish the public  
23 purposes set out in Section 52-a, Article III, Texas Constitution.

24 (b) The creation of the district is necessary to promote,  
25 develop, encourage, and maintain employment, commerce,  
26 transportation, housing, tourism, recreation, the arts,  
27 entertainment, economic development, safety, and the public

1 welfare in the district.

2 (c) This chapter and the creation of the district may not be  
3 interpreted to relieve the city or county from providing the level  
4 of services provided as of the effective date of the Act enacting  
5 this chapter to the area in the district. The district is created  
6 to supplement and not to supplant city and county services provided  
7 in the district.

8 Sec. 3918.006. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)  
9 The district is created to serve a public use and benefit.

10 (b) All land and other property included in the district  
11 will benefit from the improvements and services to be provided by  
12 the district under powers conferred by Sections 52 and 52-a,  
13 Article III, and Section 59, Article XVI, Texas Constitution, and  
14 other powers granted under this chapter.

15 (c) The district is created to accomplish the purposes of a  
16 municipal management district as provided by general law and  
17 Sections 52 and 52-a, Article III, and Section 59, Article XVI,  
18 Texas Constitution.

19 (d) The creation of the district is in the public interest  
20 and is essential to further the public purposes of:

21 (1) developing and diversifying the economy of the  
22 state;

23 (2) eliminating unemployment and underemployment; and

24 (3) developing or expanding transportation and  
25 commerce.

26 (e) The district will:

27 (1) promote the health, safety, and general welfare of

1 residents, employers, potential employees, employees, visitors,  
2 and consumers in the district, and of the public;

4 preserve, maintain, and enhance the economic health and vitality of  
5 the district territory as a community and business center; and

6 (3) promote the health, safety, welfare, and enjoyment  
7 of the public by providing pedestrian ways and by landscaping and  
8 developing certain areas, which are necessary for the restoration,  
9 preservation, and enhancement of scenic beauty.

10 (f) Pedestrian ways along or across a street, whether at  
11 grade or above or below the surface, and street lighting, street  
12 landscaping, parking, and street art objects are parts of and  
13 necessary components of a street and are considered to be a street  
14 or road improvement.

15 (g) The district will not act as the agent or  
16 instrumentality of any private interest even though the district  
17 will benefit many private interests as well as the public.

18 Sec. 3918.007. INITIAL DISTRICT TERRITORY. (a) The  
19 district is initially composed of the territory described by  
20 Section 2 of the Act enacting this chapter.

21 (b) The boundaries and field notes of the district contained  
22 in Section 2 of the Act enacting this chapter form a closure. A
