WHEREAS, Noted for its abundant wildlife, Matagorda County has more species of birds than any other county in the United States; its diverse geography, from marshes and coastal prairies to rivers and forests, affords outstanding birding opportunities, and the Matagorda County Birding Nature Center is an ideal place to learn about birds, gardening, wildlife, and native plants; the county is home to 14 Great Texas Coastal Birding Trails; and

WHEREAS, The county's bays are filled with redfish, flounder, trout, crab, and shrimp, and the Port of Palacios is home to more than 200 shrimp boats and handles more commercial shrimp than any other Texas port; and

WHEREAS, Bay City is the county seat of Matagorda County and is known as "the gateway to the great outdoors"; it was founded in 1894 and named for its location in the center of a vast coastal prairie known from the time of Stephen F.
