**FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION**

**April 1, 2013**

**TO:** Honorable Abel Herrero, Chair, House Committee on Criminal Jurisprudence

**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE: HB124** by Anderson (Relating to the addition of Salvia divinorum and its derivatives and extracts to Penalty Group 3 of the Texas Controlled Substances Act.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Health and Safety Code by adding Salvia divinorum and its derivatives and extracts to Penalty Group 3 of the Texas Controlled Substances Act.

This Department of Public Safety anticipates no significant fiscal impact from this bill. For this analysis, it is assumed the number of offenders convicted under these statutes would not result in a significant impact on the programs and workload of State corrections agencies or on the demand for resources and services of those agencies.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
