FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

February 22, 2013

TO: Honorable Jimmie Don Aycock, Chair, House Committee On Public Education

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB210 by Márquez (Relating to the authority of the commissioner of education to issue subpoenas and conduct accreditation investigations.), **As Introduced**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill directs the Commissioner of Education to authorize a special accreditation investigation in response to a complaint alleging inaccurate data reported through the Public Education Information Management System (PEIMS) or other reports required by state law, federal law, rule, or court order that affect accountability or accreditation. The bill authorizes the issuance of a subpoena for a relevant witness or evidence related to such investigations

The bill has no direct fiscal implications for the Foundation School Program (FSP). The impact on the Texas Education Agency (TEA) would vary depending on the number of data complaints received that triggered new special accreditation investigations. Based on the analysis of TEA, duties related to the potential increase in special accreditation investigations could be accomplished by utilizing existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
