

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION**

**February 24, 2013**

**TO:** Honorable Jimmie Don Aycock, Chair, House Committee On Public Education

**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE:** **HB422** by Davis, John (Relating to career and technology education or fine arts credits required for high school graduation.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would modify the graduation requirements under the Recommended or Advanced High School Program to allow a student to substitute one credit in career and technology education for the required fine arts credit.

This analysis assumes that any student who would take a career and technology education course to satisfy the graduation requirement under the Recommended or Advanced High School Program would have taken that career and technology course under current law.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
