**Fiscal Analysis**

The bill would amend Chapter 171 of the Tax Code, regarding the franchise tax, to provide an exclusion from total revenue of the cost of vaccines for certain taxable entities. The bill would

define "Physician practice" and "Vaccine". The bill would provide that a taxable entity that is a physician practice shall exclude from total revenue the actual cost paid by the taxable entity for a vaccine.

The bill would take effect on January 1, 2014, and applies to franchise tax reports due on or after that date.

### **Methodology**

The estimated fiscal impact is based on historical data on expenditures for vaccines and the cost for the immunization of children. The estimate is adjusted for the revenue exclusions provided by Section 171.1011(n) of the Tax Code.

### **Local Government Impact**

No fiscal implication to units of local government is anticipated.
