TO: Honorable Jane Nelson, Chair, Senate Committee on Health & Human Services

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB1396 by King, Susan (Relating to a study on alcohol and controlled substance statistics prepared by the Department of Family and Protective Services and the Department of State Health Services.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would require the Department of Family and Protective Services (DFPS) and the Department of State Health Services (DSHS) to conduct a study on alcohol and controlled substance statistics. The study must include certain information.

Not later than November 1, 2014, DFPS and DSHS are required to electronically submit a copy of the study prepared to certain parties.

The bill would expire September 1, 2015 and be effective September 1, 2013.

DFPS does not anticipate any significant fiscal impact as a result of complying with the provisions of the bill. It is assumed that any costs associated with the bill can be absorbed by DSHS within existing resources.
