

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION
Revision 1

April 22, 2013

TO: Honorable Rafael Anchia, Chair, House Committee on International Trade & Intergovernmental Affairs

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB1454** by Gonzalez, Naomi (Relating to events to educate students about Type 2 diabetes in certain school districts.), **Committee Report 1st House, Substituted**

No fiscal implication to the State is anticipated.

The bill is bracketed to apply only to El Paso Independent School District (ISD). The bill would require El Paso ISD to hold an event once a school year in which local nonprofit diabetes prevention organizations visit each school campus to educate students in grades 3 through 12 about Type 2 diabetes prevention and awareness.

Local Government Impact

The administrative cost for the district to have a local nonprofit organization visit each district campus to provide education on Type 2 diabetes is not anticipated to be significant.
