FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

March 28, 2013

TO: Honorable Rafael Anchia, Chair, House Committee on International Trade & Intergovernmental Affairs

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB1454 by Gonzalez, Naomi (Relating to a program to educate students about Type 2 diabetes in certain school districts.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill is bracketed to apply only to El Paso Independent School District (ISD). The bill would require El Paso ISD to implement a program to have a local nonprofit diabetes prevention organization visit each district campus quarterly to educate students in grades 3 through 12 about Type 2 diabetes prevention and awareness.

Local Government Impact

The administrative cost for the district to have a local nonprofit organization visit each district campus quarterly to provide education on Type 2 diabetes is not anticipated to be significant.
