**Austin, Texas**

**FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION**

**February 28, 2013**

**TO:** Honorable Mike Villarreal, Chair, House Committee On Investments & Financial Services

**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE: HB1489** by Flynn (Relating to prepaid funeral benefits contracts.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Finance Code relating to the regulation of prepaid funeral benefits. The bill would provide increased regulation for prepaid funeral benefits; increase the investigatory powers of the banking commissioner with respect to prepaid funeral contract sellers; and allow the banking commissioner to file a petition relating to the liquidation of the affairs of a seller of prepaid funeral benefits in Travis County in addition to the county of residence of the seller.

Based on the analysis of the Office of the Attorney General, State Office of Administrative Hearings, Funeral Service Commission, and Department of Insurance, the bill would not result in a significant fiscal impact to the State and could be absorbed within existing resources.

The fiscal impacts of costs and revenues that may be generated in association with implementing the provisions of the bill for the Department of Banking are not considered in this analysis because any fiscal impacts for the agency would be realized outside of the Treasury due to the agency being Self-Directed and Semi-Independent.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
