IN RE: HB1514 by Howard (Relating to privileged parking for veterans of World War II.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend Chapter 681 of the Transportation Code to include vehicles registered with World War II Veteran specialty license plates to the list of registered vehicles currently exempt from payment of parking fees collected through parking meters charged by a governmental authority other than a branch of the federal government, when being operated by or for the transportation of persons who registered the vehicle.
