FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

May 15, 2013

TO: Honorable Joe Straus, Speaker of the House, House of Representatives

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB1818 by Kuempel (Relating to the disposition of confiscated game, animal parts, and animal products.), **As Passed 2nd House**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would amend portions of the Parks and Wildlife Code relating to the disposition of confiscated aquatic products, confiscated game, animal pelts and carcasses, and alligator parts. The bill would provide that if the alleged violator fails to appear in court to answer for the offense, the proceeds from a suspense account will be transferred to the General Revenue-Dedicated Game, Fish and Water Safety Account No. 9. The bill would apply certain Health and Safety Code provisions to any confiscated aquatic product, animal, or animal part subsequently sold as use as human food. The bill could result in a minimal positive fiscal implication to the Game, Fish and Water Safety Account, but such proceeds are not anticipated to be significant.

The bill would take effect September 1, 2013.

Local Government Impact

No fiscal implication to units of local government is anticipated.
