

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

April 29, 2013

TO: Honorable Jimmie Don Aycock, Chair, House Committee on Public Education

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB2012** by Villarreal (Relating to collection, distribution, and use of information relating to salaries of certain professional employees of school districts.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would require the Texas Education Agency to collect employee salary data from school districts through the Public Education Information Management System and provide information on the agency's website that indicates, by school district, the average salaries of classroom teachers by subject and grade level.

The bill would require TEA to analyze the cost-of-living in each region of the state to determine if teacher salaries paid were comparable to salaries of comparable professionals in that region.

This analysis assumes that any costs related to implementing the provisions of the bill could be absorbed within existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
