Austin, Texas

FISCAL NOTE, 83RD LEGISLATIVE REGULAR SESSION

May 20, 2013

TO: Honorable Joe Straus, Speaker of the House, House of Representatives

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB2049 by Huberty (Relating to a qualifying cogeneration facility's ability to sell electric energy to multiple purchasers.), **As Passed 2nd House**

No significant fiscal implication to the State is anticipated.

The bill would amend the Utilities Code to allow a qualifying cogenerator to sell electric energy at retail to more than one purchaser of the cogenerator's thermal output. The bill would also provide that selling electric energy at retail to more than one purchaser would not, as a result of that sale, subject a qualifying cogenerator to regulation as a retail electric provider, power generation company, or retail electric utility, under certain conditions outlined in the provisions of the bill.

Based on information provided by the Public Utility Commission, duties and responsibilities associated with implementing the provisions of the bill could be accomplished utilizing existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
